The House of Islam Ed Husain,2018-05-17 A powerful corrective Guardian This should be compulsory reading Peter Frankopan author of *The Silk Roads* For anyone interested in the future of Islam both in Britain and the Islamic world this is an important book The Times The gulf between Islam and the West is widening A faith rich with strong values and traditions observed by nearly two billion people is seen by the West as something to be feared rather than understood Sensational headlines and hard line policies spark enmity while ignoring the feelings narratives and perceptions that preoccupy Muslims

today The House of Islam seeks to provide entry to the minds and hearts of Muslims the world over It introduces us to the kindness of Mohammed the beauty of Islamic art and the permeation of the divine in public spaces and the tension between mysticism and literalism that still threatens the religion Ed Husain expertly and compassionately guides us through the nuances of Islam and its people contending that the Muslim world need not be a stranger to the West nor its enemy but a peaceable ally

International encyclopaedia of Islam A. H. Qasmi, 2006 Islam is a perfect faith and way of life It is a complete system in itself for the life in this world and the next world For knowing Islam it is essential to study its philosophy ideology and principles and for that one has to approach original sources viz Holy Quran and Tradition However it is not possible for every one to refer to these sources which are originally in Arabic Of course there are commentaries and explanatory books in Persian Urdu as well as in English and other western languages Still it remains difficult to take benefit of these voluminous secondary sources Hence a dire need for a comprehensive and exhaustive work on Islam was felt This exclusive multi volume is aimed at filling that room The International Encyclopaedia of Islam consists of nine volumes and successfully covers all important aspects of Islam as a religion and faith These volumes namely are 1 Islamic Philosophy 2 Faith in Islam 3 Principles of Islam 4 Islamic Manners 5 Islam and Social Justice 6 Judicial System in Islam 7 Human Rights in Islam 8 Islam and Education 9 Science and Islam These volumes virtually cover the whole Islam in a nutshell which makes them reader friendly This multi volume is essential for all scholars researchers students and general readers the world over

Defining Islam Andrew Rippin, 2016-04-08 Ever since a group of people came into existence who called themselves Muslims and followed Islam questions of what it means to be a member of this group who is to be included excluded and what the requirements for membership are have proven to be both divisive and defining For scholars and critics the issue of what constitutes or defines Islam whether examining the history of the religion its specific traditions sectarian politics or acts of terrorism is central to any understanding of issues cultures and ideas Defining Islam brings together key classic and contemporary writings on the nature of Islam to provide student readers with the ideal collection of both primary and critical sources
