Muslim Societies And Indonesian Politics The Icmi After The New Order:

Muslim Societies and Indonesian Politics Imron Rosidi, 2011 The ICMI The Association of Indonesian Muslim Intellectuals played an important role in Indonesian politics during the New Order This organization had a close connection with Muslim societies in Indonesia to channel their political aspiration This book describes the political role of the ICMI and Muslim intellectuals after the New Order This book is beneficial for those who are interested in Sociology of Islam Politics and Southeast Asian specifically Indonesian studies

Indonesian Politics and Society David Bourchier, Vedi Hadiz, 2014-07-08 Using an exhaustive selection of primary sources this book presents a rich and textured picture of Indonesian politics and society from 1965 to the dramatic changes which have taken place in recent years Providing a complete portrait of the Indonesian political landscape this authoritative reader is an essential resource in understanding the history and contradictions of the New Order current social and political conditions and the road ahead

Indonesian Politics Under Suharto Michael R J Vatikiotis, 2013-01-11 This revised third edition provides an analysis of Suharto's New Order from its inception to the emergence of B J Habibie as President The author reassesses the New Order's origins and its military roots and evaluates the considerable economic changes that have taken place since the 1960s He examines Suharto's politics and in a new chapter the reasons behind the crisis and Suharto's fall

Managing Politics and Islam in Indonesia Donald J. Porter, 2013-08-21 First published in 2004 This text examines the politics of Islam and the state of Indonesia over recent decades during which time there has been a notable resurgence of Islamic political movements It argues that after the state had consistently worked to restrict and exclude political Islam from power in the late 1980s and 1990s there was a change whereby Suharto courted the support and began to incorporate Muslim interests within the political system

Indonesia, Islam, and the International Political Economy Mark Williams, 2017-04-21 This book examines the role of Islamic identity in Indonesia's foreign economic relations and in its engagement with the world order There is no single expression of Islam in Indonesia the politics espoused by Islamic parties and organizations are far from monolithic Islamic sentiment has been invoked by the state to justify heinous acts of brutality as well as by violent subnational revolutionary groups However these expressions of Islam have deviated from the dominant narrative which is in favour of international cooperation and economic development

Politics in Indonesia Douglas E. Ramage, 2002-09-11 Politics in Indonesia describes the attitudes aspirations and frustrations of the key players in Indonesian politics as they struggle to shape the future The book focuses on the role of political Islam Douglas E Ramage shows that the state has been remarkably successful in maintaining secular political institutions in a predominantly Muslim society He analyses the way in which political questions are framed with reference to the national ideology the Pancasila

Religion, Globalization and Political Culture in the Third World Jeff Haynes, 2016-07-27 A unique focus on the relationship between religion and political culture in the Third World using a comparative and thematic approach Specific issues of religion politics interaction in the Third World in recent

times include the rise of Islamic fundamentalist groups throughout the Middle East and other parts of the Muslim world the political effects of the decline of Catholicism and the rapid growth of Protestant evangelical sects in Latin America communal conflict between Hindu nationalist groups and the politicisation of Buddhism in South East Asia The common effect of such developments is to challenge existing forms of relationship between states and societies with religion used as a political resource

Islam in the Era of Globalization Johan Meuleman, 2005-09-30 Globalization modernity and identity are fundamental issues in contemporary Islam and Islamic Studies This collection of essays reflects the wide diversity that characterises contemporary Islamic Studies The case studies cover regions stretching from China and Southeast Asia to diaspora communities in the Caribbean and Tajikistan There is significant participation of intellectual voices from all areas concerned providing a real contribution to the academic exchange between the Muslim and the Euro American worlds

State of Authority Gerry Van Klinken, Joshua Barker, 2018-05-31 A major realignment is taking place in the way we understand the state in Indonesia New studies on local politics ethnicity the democratic transition corruption Islam popular culture and other areas hint at novel concepts of the state though often without fully articulating them This book captures several dimensions of this shift One reason for the new thinking is a fresh wind that has altered state studies generally People are posing new kinds of questions about the state and developing new methodologies to answer them Another reason for this shift is that Indonesia itself has changed probably more than most people recognize It looks more democratic but also more chaotic and corrupt than it did during the militaristic New Order of 1966 1998 State of Authority offers a range of detailed case studies based on fieldwork in many different settings around the archipelago The studies bring to life figures of authority who have sought to carve out positions of power for themselves using legal and illegal means These figures include village heads informal slum leaders district heads parliamentarians and others These individuals negotiate in settings where the state is evident and where it is discussed coffee houses hotel lounges fishing waters and street side stalls These case studies and the broader trend in scholarship of which they are a part allow for a new theorization of the state in Indonesia that more adequately addresses the complexity of political life in this vast archipelago nation State of Authority demonstrates that the state of Indonesia is not monolithic but is constituted from the ground up by a host of local negotiations and symbolic practices

The Technological State in Indonesia Sulfikar Amir, 2012 Using a historical sociology approach this book illustrates the formation of the technological state in Indonesia during the New Order period 1966 1998 It explores the nexus between power high technology development and authoritarianism situated in the Southeast Asian context The book discusses how the New Order regime shifted from the developmental state to the technological state which was characterized by desire for technological supremacy The process resulted in the establishment of a host of technological institutions and the undertaking of large scale high tech programs Shedding light on the political dimension of socio technological transformation this book looks at the relationship between authoritarian politics and high technology

development and examines how effectively technology serves to sustain legitimacy of an authoritarian power. It explores into multiple features of the Indonesian technological state covering the ideology of development, the politics of technocracy, the institutional structure, and the material and symbolic embodiments of high technology, and goes on to discuss the impact of globalization on the technological state. The book is an important contribution to studies on Southeast Asian Politics.
