My Business Is Circumference By Stephen Berg 2001 09 01:

My Business is Circumference Stephen Berg, 2001 Twenty eight contemporary American poets reflect on the poems that have most influenced their own creative vision and offer their best new works in this examination of poetic expression Each entry includes a new poem from the author the text of a poem or poems that particularly influenced the development of the new poem and an essay about that influence The dialogue created between the new works of the poets and the poems that they love provides insight into the poetic process and speaks to the meaning and endurance of great art **American Poets in the 21st Century** Claudia Rankine, Lisa Sewell, 2007-07-09 The ideal introduction to the current generation of American poets **A Serpentine Gesture** Elisabeth W. Joyce, 2024-12-15 In *A Serpentine Gesture* John Ashbery's Poetry and Phenomenology Elisabeth W. Joyce examines John Ashbery's poetry through the lens of Maurice Merleau-Ponty's conception of phenomenology For Merleau-Ponty perception is a process through which people reach outside of themselves for sensory information map that experiential information against what they have previously encountered and what is culturally inculcated in them and articulate shifts in their internal repositories through encounters with new material Joyce argues that this process reflects Ashbery's classic statement of poetry being the experience of experience Through incisive close readings of Ashbery's poems Joyce examines how he explores this process of continual reverberation between what is sensed and what is considered about that sensation and ultimately how he renders these perceptions into the serpentine gesture of language **Book Review Index**, 2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index **Forthcoming Books** Rose Arny, 2001 *American Book Publishing Record*, 2001 [Library Journal](#), 2001 **Subject Guide to Books in Print**, 1991 **Rain Taxi Review of Books**, 2000
