Stephen R. Donaldson

My Cat Wants Me Dead:

Does God Want Me Dead? D. Scott Bowling, 2015-11-30 This book is a result of the spiritual lessons I have learned upon being diagnosed with a slow progressive and terminal illness Once I was told I had a life expectancy of less than five years biblical truths that seemed to be hidden to me prior to my diagnosis now seemed to pour off of every page I was an avid Bible student and teacher prior to my diagnosis but following my dire prognosis I began to have a greater appreciation for the pain suffering and death of so many of the men and women that share their stories within the cover of our Holy Bible The title of this book Does God Want Me Dead came first The title is not intended to be sacrilegious but other phrases seem to come woefully short of the question pressing upon my heart Slowly over three years each additional chapter would germinate in my mind and heart and develop over varying time periods My goal is always to handle Gods Word accurately and honestly I know I will stand before God in a relatively short period of time to answer for each word I have uttered and written My objective is to disseminate the truths that I have learned first to my family and friends that will be most affected by my departure and then to all the saints of God willing to invest a few hours of their time for their edification and sanctification May Gods glory be high and lifted up in all things Run with the Devil or Walk with God Manjuan De La Pas, 2014-11-14 This autobiography is about a characters transition from a curious child to an evil adolescent into a highly self secure spiritual man As a child he loves and is very close to his grandmother whom although poor shes always happy very spiritual and the only real example of anyone being close to God He loves to sit down with her and listen curiously as she describes the beauty of heaven aswell as reads and explains the at times grim prophecies of the bible Still to young to understand he would remain a confused and bitter unbeliever due to all the pain and suffering that surrounded him on a daily basis Hes a child growing up in a very tough racially divided community who never looks for trouble but trouble always finds him At first he could care less and isnt impressed by the hoods in the fast life But on the surface compared to his mother and any hard working individual it was the hoods that had it all So by the time hed become an adolescent hes tired of being poor any good he had left in him has faded and he vows to do whatever it takes to get ahead even if he has to kill In the process he prays to the devil makes an abundance of money gains power and attains an unbelievable amount of notoriety Hed become almost uncontrollable to the point where hes very aware but doesnt care that he only has two stops left life in prison or eternal death in hell Untill one fateful day when hes made to think about his only son after a crime hed committed that could have hurt or even killed an enemies innocent kids and thus began his road to repentance *The Awakening* udey adoga, Hunted by monsters Emily Craine finds herself trapped in a war between demons and those who hunt them As she struggles to survive she discovers a forgotten secret that magic is real While her journey brings her deeper into the world of the supernatural She finds herself being protected by a man whose past is the real danger Can this man protect Emily and confront his inner demons if he hopes to reawaken his lost magic Then escape the realm they are trapped in before time runs out **The Man**

Who Tried to Get Away Stephen R. Donaldson, 2005-11-01 Running away from yourself never works You ll always catch up Donaldson at his trademark best fleshes out the characters to the max and it s all wrapped around a well paced cleverly plotted mystery that will leave readers wanting more Charleston Post on The Man Who Killed His Brother Mick Brew Axbrewder was once a great P I That was before he accidentally shot and killed a cop worse a cop who happened to be his own brother Then Mick s partner Ginny Fistoulari blew off her own hand protecting him from a confrontation brought on by his alcoholism Unsurprisingly Mick and Ginny aren t on great terms any more Now a week after an incident in which he was shot barely back on his feet Mick has agreed against his better judgement to join Ginny in providing security at a murder mystery camp where a dozen people stay in an isolated snowbound lodge to play at being detectives Then a real killer starts bumping people off one by one As ever Stephen Donaldson shows why he s regarded as one of America s greatest storytellers with a tale of human pain and human triumph in The Man Who Tried to Get Away At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
