Murder Inc Gangland Mysteries:

Murder Inc. Paul Williams, 2014-11-06 *Murder Inc* is the latest blockbuster by Ireland's most respected crime writer and journalist Paul Williams. *Murder Inc* is the definitive account of how organized crime exploded in Limerick from the 1990s and in the noughties. It describes the depravity and decadence of the gangs, their deadly rivalries and their reigns of terror over the community in which they lived. Finally, Williams traces the faultlines that eventually led to the implosion of the gangs and their defeat. Drawing on his vast inside knowledge of the criminal underworld, an unparalleled range of contacts and eye witness interviews, Paul Williams provides a chilling insight into the mobsters and events that corroded entire

neighbourhoods and devastated countless lives. **Murder Inc** Chris Cippolini, 2015-02 Nothing like it before. Nothing like it since. *Murder Inc* was the most unusual, brutal and extensive collection of characters the American underworld had ever produced. Culled primarily from Brooklyn's Brownsville and Ocean Hill sections, these official on-call killers of New York's larger crime syndicate were a unified force of Jewish and Italian gangsters that treated murder as an art form for an entire decade. They were called mobsters, thugs, hoods and racketeers, but at the very core they were assassins. When gangland kingpins such as Louis Lepke, Buchalter, Charles Lucky Luciano and Benjamin Bugsy Siegel needed a contract fulfilled, the Combination boys would eagerly take to task the enforcement duties which included methods ranging from gunfire to fire axes, incineration to icepicks. These are the mysteries, the sordid stories, the character profiles, alluring and lesser-known tales of the Mob's Most Deadly Hit Squad. Meet the killers, the victims, the bosses, the lovers, the deceivers and the gangbusters that made up a nationally reaching ensemble cast rivaling anything organized crime or law enforcement had ever imagined to that point in time. Discover the nuances, the attitudes, the motivations, the ambitions and thanks to little honor among thieves, the scathing revelations that lead to an inevitable downfall. Book jacket *Gangland Gotham* Allan R. May, 2009-08-12

Organized crime and the mob figures who run it have long captured the imagination of the American public, appearing since the early twentieth century as characters in a host of popular books, movies and television programs. But often what the public knew of such figures and their criminal careers was as much myth as fact. This book offers highly readable, carefully researched biographies that dispel the myths but preserve the fascination surrounding 10 infamous New York mob leaders of the twentieth century. Each in-depth biography will help interested readers understand how and why each of these men achieved special notoriety within the world of organized crime. Each biography describes the early years of each man, assessing how he came to a criminal career, his rise to prominence within the mob, providing reaction from those who knew him and witnessed his actions, and the last years of his career, assessing why it ended as it did. Each biography is illustrated with a picture of its subject and concludes with a listing of additional information resources, both print and electronic. A detailed subject index provides further access to the large amount of information contained in each biography. A timeline allows readers to quickly and easily track the birth, death and important events in the life of each mobster. *Boss of*
