Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of

women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **City of Betrayal** Victoria Thompson,2023-12-05 Elizabeth Bates s latest con just might change the course of history in an all new Counterfeit Lady Novel from USA Today bestselling author Victoria Thompson A year has passed since Elizabeth Bates ran her last con Life has been simpler although not nearly as exciting but she has thrown herself into working to get the 19th Amendment ratified by thirty six states to become the law of the land Since every other Southern state has already rejected the amendment it seems unlikely Tennessee will be an exception but it s their only hope so the suffragists descend on Tennessee for the final battle Elizabeth s ability to interact with difficult men and to persuasively explain all the advantages of allowing women to vote all skills she perfected as a grifter have made her a valuable member of the team But she would never have expected the lengths to which some would go to keep the vote out of women s hands She ll need to devise the perfect con or the suffragists life s work could all be for nothing **City of Lies** Victoria Thompson,2017-11-07 From the national bestselling author of the Gaslight Mysteries comes the first Counterfeit Lady novel the intriguing start of a historical mystery series featuring woman on the run Elizabeth Miles Like most women Elizabeth Miles assumes many roles unlike most hers have made her a woman on the run Living on the edge of society Elizabeth uses her guile to relieve so called respectable men of their ill gotten gains But brutal and greedy entrepreneur Oscar Thornton is out for blood He s lost a great deal of money and is not going to forgive a woman for outwitting him With his thugs hot on her trail Elizabeth seizes the moment to blend in with a group of women who have an agenda of their own She never expects to like or understand these privileged women but she soon comes to respect their intentions forming an unlikely bond with the wealthy matriarch of the group whose son Gideon is the rarest of species an honest man in a dishonest world Elizabeth knows she s playing a risky game and her deception could be revealed at any moment possibly even by sharp eyed Gideon Nor has she been forgotten by Thornton who s biding his time waiting to strike Elizabeth must draw on her wits and every last ounce of courage she possesses to keep her new life from being cut short by this vicious shadow from her past **City of Schemes** Victoria Thompson,2021-01-05 Elizabeth Miles is preparing for her wedding to Gideon Bates when a menacing shadow from her past threatens to destroy the life she has built for herself in this all new Counterfeit Lady Novel from USA Today bestselling author Victoria Thompson The Great War is over and Elizabeth and Gideon are busily planning their wedding and welcoming home old friends now discharged
