Using Music to Enhance Student Learning Jana R. Fallin, Mollie Gregory Tower, 2018-10-15 Integrating musical activities in the elementary school classroom can assist in effectively teaching and engaging students in Language Arts Science Math and Social Studies while also boosting mental emotional and social development However many elementary education majors fear they lack the needed musical skills to use music successfully Future elementary school teachers need usable practical musical strategies to easily infuse into their curriculum Written for both current and future teachers with little or no previous experience in music *Using Music to Enhance Student Learning* Second Edition offers strategies that are not heavily dependent on musical skills While

many textbooks are devoted to teaching music theory skills this textbook is dedicated to pedagogy the actual teaching of music particularly in those schools without a separate music class in their curriculum The ultimate goal is for future teachers to provide their elementary school classes with engaging learning experiences These learning experiences are clearly presented to enable children to acquire knowledge in all subject areas within a joyful creative environment rich with music activities New to the second edition are the animated listening maps more audio tracks a new guitar unit expanded coverage in the recorder unit a connection with visual art and music expanded activities in American history and math and updated research and statistics

SPECIAL FEATURES Animated Listening Maps help listeners focus on music selections through clear visual representations of sound Group Activities reinforce the social aspects of music making as well as the benefits of collaborative teaching and learning A thorough integration of music in the curriculum establishes that music is essential in a child's development and that the incorporation of music will enhance all other subjects activities in the classroom Learning Aids include Tantalizing Tidbits of Research which provide the justifications for why these activities are important as well as Teaching Tips and Thinking It Through activities The Using Music Package Streamed listening selections from the Baroque Classical Romantic and Contemporary Periods Get America Singing Again Volume 1 developed in association with the Music Educators National Conference now NAFME and other music organizations with 43 songs that represent America's varied music heritage of folk traditional and patriotic themes Appendices include a songbook with Hispanic folksongs a recorder music songbook and a guitar unit Companion website hosts various teaching and learning resources ISBN 978 0 367 11067 3 Using Music Second Edition set includes ISBN 978 0 415 70936 1 Using Music Second Edition textbook Get America Singing Again Volume 1 songbook ISBN 978 0 429 02487 0 Using Music Second Edition eBook is the textbook only The songbook is only available with the print textbook and is not sold separately
