Andalus to present day Israel via North Africa Italy Turkey and Syria pausing for perspectives from Enlightenment Europe Musical Exodus Al Andalus and its Jewish Diasporas tells of diverse song and instrumental traditions born of the multiple musical encounters between Jews and their Muslim and Christian neighbors in different Mediterranean diasporas and the revival and renewal of those traditions in present day Israel In this collection of essays from Philip V Bohlman Daniel J tte Tony Langlois Piergabriele Mancuso John O Connell Vanessa Paloma Carmel Raz Dwight Reynolds Edwin Seroussi and Jonathan Shannon with opening and closing contributions by Ruth F Davis and Stephen Blum distinguished ethnomusicologists cultural historians linguists and performers explore from multidisciplinary perspectives the complex and diverse processes and conditions of intercultural and intracultural musical encounters The authors consider how musical traditions acquired new functions and meanings in different social political and diasporic contexts explore the historical role of Jewish musicians as cultural intermediaries between the different faith communities and examine how music is implicated in projects of remembering and forgetting as societies come to terms with mass exodus by reconstructing their narratives of the past The essays in Musical Exodus Al Andalus and its Jewish Diasporas extend beyond the music of medieval Iberia and its Mediterranean Jewish diasporas to wider aspects of Jewish Christian and Jewish Muslim relations The authors offer new perspectives on theories of musical interaction hybridization and the cultural meaning of musical expression in diasporic and minority communities The essays address how music is implicated in constructions of ethnicity and nationhood and of myth and history while also examining the resurgence of Al Andalus as a symbol in musical projects that claim to promote cross cultural understanding and peace The diverse scholarship in Musical Exodus makes a vital contribution to scholars of music and European and Jewish history

Encounters in Ethnomusicology LIT Verlag, 2022-08-25 Philip V Bohlman s impact on the scope and meaning of ethnomusicology is difficult to overstate His influence is manifest not only in his numerous publications his service to the discipline and his presence at institutions and gatherings across the globe but also in the work of his students This volume featuring essays written by his students and peers honors his enormous contributions to the discipline by focusing on three analytic lenses through which Bohlman s work has excavated the complexities of encounter ethics memory and performance The essays engaging ethics treat topics including scholarship as activism the power politics of knowledge and the ethics of musical practice and performance Memory is explored through essays exploring issues related to modernity commemoration the nation and historiography The essays concerned with performance interrogate historical symbolic and experiential aspects of musical performance and wrestle with the enduring questions of belonging that often accompany such performances Throughout it is clear that each contribution draws inspiration and methodological strength from the authors formative encounters with Bohlman s body of work Michael A Figueroa is Associate Professor of Music at University of North Carolina at Chapel Hill Jaime Jones is Associate Professor of Ethnomusicology at University College Dublin Timothy Rommen is Professor of Music and Africana Studies at University of Pennsylvania Philip V Bohlman s impact

on the scope and meaning of ethnomusicology is profound This volume featuring essays written by his students and peers honors his enormous contributions to the discipline by focusing on the complexities of encounter Part I Ethics addresses scholarship as activism the power politics of knowledge and the ethics of musical practice and performance Part II Memory examines commemoration the nation and historiography Part III Performance interrogates historical symbolic and experiential aspects of musical performance wrestling with enduring questions of belonging Michael A Figueroa is Associate Professor of Music at University of North Carolina at Chapel Hill Jaime Jones is Associate Professor of Ethnomusicology at University College Dublin Timothy Rommen is Professor of Music and Africana Studies at University of Pennsylvania

Revival and Reconciliation Philip V. Bohlman, 2013-06-07 Sacred music has long contributed fundamentally to the making of Europe The passage from origin myths to history the sacred journeys that have mobilized pilgrims crusaders and colonizers the politics and power sounded by the vox populi all have joined in counterpoint to shape Europe's historical longue durée Drawing upon three decades of research in European sacred music Philip V Bohlman calls for a reexamination of European modernity in the twenty first century a modernity shaped no less by canonic religious and musical practices than by the proliferation of belief systems that today more than ever respond to the diverse belief systems that engender the New Europe In contrast to most studies of sacred musical practice in European history with their emphasis on the musical repertoires and ecclesiastical practices at the center of society Bohlman turns our attention to individual and marginalized communities and to the collectives of believers to whose lives meaning accrues upon sounding the sacred together In the historical chapters that open *Revival and Reconciliation* Bohlman examines the genesis of modern history in the convergence and conflict that lie at the heart of the Abrahamic faiths Judaism Christianity and Islam Critical to the meaning of these religions to Europe Bohlman argues has been their capacity to mobilize both sacred journey and social action which enter the everyday lives of Europeans through folk religion pilgrimage and politics the subjects of the second half of his study The closing sections then cross the threshold from history into modernity above all that of the New Europe with its return to religion through revival and reconciliation Based on an extensive ethnographic engagement with the sacred landscapes and sites of conflict in twenty first century Europe Bohlman calls in his final chapters for new ways of hearing the silenced voices and the full chorus of sacred music in our contemporary world Ethnomusicologists from different traditions as well as scholars of religious studies and the history of modern Europe will find *Revival and Reconciliation* a fascinating exploration of the connections between sacred music and the role it plays in the formations of the modern self

Neapolitan Postcards Goffredo Plastino, Joseph Sciorra, 2016-06-22 *Neapolitan Postcards* gathers a diverse group of international scholars to investigate unexplored transnational aspects of the intimate yet globally popular canzone napoletana Performed and beloved worldwide in almost every language the style had hits such as *Funicul funicul* 1880 and *O sole mio* 1898 which sold millions of copies These hits fueled the tradition's spread across the world over the course of the twentieth century with the eventual

popularity of covers by singers and musicians of all music genres and styles from popular music to opera and jazz This book is the first scholarly work that considers the specific complexities of the international Neapolitan Song scenes through case studies from Argentina England Greece and the United States employing analyses of compositions iconographical sources international films mechanical musical instruments performances and recordings devoted to the canzone napoletana

Manele in Romania Margaret Beissinger, Speranta Radulescu, Anca Giurchescu, 2016-08-08 This edited volume examines manele sing manea an urban Romanian song dance ethnopop genre that combines local traditional and popular music with Balkan and Middle Eastern elements The genre is performed primarily by male Romani musicians at weddings and clubs and appeals especially to Romanian and Romani youth It became immensely popular after the collapse of communism representing for many the newly liberated social conditions of the post 1989 world But manele have also engendered much controversy among the educated and professional elite who view the genre as vulgar and even alien to the Romanian national character The essays collected here examine the manea phenomenon as a vibrant form of cultural expression that engages in several levels of social meaning all informed by historical conditions politics aesthetics tradition ethnicity gender class and geography

Music and Displacement Erik Levi, Florian Scheduling, 2010-03-25 The grand narratives of European music history are informed by the dichotomy of placements and displacements Yet musicology has thus far largely ignored the phenomenon of displacement and underestimated its significance for musical landscapes and music history *Music and Displacement Diasporas Mobilities and Dislocations in Europe and Beyond* constitutes a pioneering volume that aims to fill this gap as it explores the interactions between music and displacement in theoretical and practical terms Contributions by distinguished international scholars address the theme through a wide range of case studies incorporating art popular folk and jazz music and interacting with areas such as gender and post colonial studies critical theory migration and diaspora The book is structured in three stages silence acculturation and theory that move from silence to sound and from displacement to placement The range of subject matter within these sections is deliberately hybrid and mirrors the eclectic nature of displacement itself with case studies exploring Nazi Anti Semitism in musical displacement musical life in the Jewish community of Palestine Mahler Jewishness and Jazz the Irish Diaspora in England and German Exile studies among others Featuring articles from such scholars as Ruth F Davis Sean Campbell Jim Samson Sydney Hutchinson and Europea series co editor Philip V Bohlman the volume exerts an appeal reaching beyond music and musicology to embrace all areas in the humanities concerned with notions of displacement migration and diaspora

Performing al-Andalus Jonathan Holt Shannon, 2015-07-28 *Performing al Andalus* explores three musical cultures that claim a connection to the music of medieval Iberia the Islamic kingdom of al Andalus known for its complex mix of Arab North African Christian and Jewish influences Jonathan Holt Shannon shows that the idea of a shared Andalusian heritage animates performers and aficionados in modern day Syria Morocco and Spain but with varying and sometimes contradictory meanings in different

social and political contexts As he traces the movements of musicians songs histories and memories circulating around the Mediterranean he argues that attention to such flows offers new insights into the complexities of culture and the nuances of selfhood *Klezmer's Afterlife* Magdalena Waligorska,2013-09 Author Magdalena Waligorska offers not only a documentation of the klezmer revival in two of its European headquarters Krak w and Berlin but also an analysis of the Jewish non Jewish encounter it generates The Sound of Exile YATING. TANG,2025-05-16 Combining diaspora studies and ethnomusicology The Sound of Exile European Jewish Refugees in Shanghai 1938 1947 by Tang Yating examines how Central European Jewish refugees employed music as a means of reconstructing cultural identity amid turmoil and displacement in Shanghai From orchestral arrangements and cabarets to traditional synagogue liturgy music served as the common thread weaving together the history of Jewish life thought and exile Navigating a Shanghai that was embroiled in its own complicated history and the intricate politics marking its settlements and concessions the Jewish refugee community made music that embraced survival salvation and after the war gratitude for the city most would leave behind The Sound of Exile highlights this diasporic musical life by exploring neglected archival documents Analyzing these sources alongside ephemeral material such as memoir fragments news reports flyers advertisements tickets for performances and more the text revives the little known communities Jewish refugees created to support themselves artistically and spiritually The result is a book that brings Shanghai Jewish musical history to life
