My Beautiful Hook Nosed Beauty Queen Strut Wave:

Teacher/Pizza Guy Jeff Kass, 2019-08-26 Explores the emotional and physical labor necessary to work nights as a pizza delivery driver and days as a high school English teacher Teacher Pizza Guy is a collection of autobiographical poems from the 2016-17 school year in which Jeff Kass worked as a full time English teacher and a part time director for a literary arts organization and still had to supplement his income by delivering pizzas a few nights a week In the collection Kass is unapologetically political without distracting from the poems themselves but rather adds layers and nuances to the fight for the middle class and for educators as a profession The timing of this book is beyond relevant As a public high school teacher in America Kass's situation is not uncommon In September 2018 Time published an article detailing how many public school teachers across the country and in a variety of environments work multiple jobs to help make ends meet Teacher Pizza Guy chronicles Kass's experience of teaching directing feeding people and treading the delicate balance of holding himself accountable to his wife and kids his students his customers and his own mental and physical health while working three jobs in contemporary America The journey of that year was draining at times daunting at times satisfying but always surprising Many of the ideas for these poems were initially scribbled onto the backs of pizza receipts or scratched out during precious free moments amidst the chaos of the school day A driving force behind the book is Philip Levine's poem What Work Is which Kass believes attempts to examine not only the dignity and complexity of what we think physical tangible work is but also the exhausting albeit sometimes fulfilling nature of emotional work Teacher Pizza Guy is a funny and relatable collection for readers thinkers educators and pizza lovers everywhere **My Beautiful Hook-nosed Beauty Queen Strut Wave** Jeff Kass, 2014 Div It's hard to be a teacher Hard to be a father Harder still to be a husband So what can you do How do you survive You look for joy everywhere you can You write poems about these moments to keep them alive in your breast These poems represent hope for a better tomorrow div *My Beautiful Hook-nosed Beauty Queen Strut Wave* Jeff Kass, 2014 Poetry that shouts snarls laughs and wants badly to believe we can all be better than we are now **Los Angeles Magazine**, 2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian Popular Science, 2004-12 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Indianapolis Monthly, 2001-12 Indianapolis Monthly is the Circle City's essential chronicle and guide an indispensable authority on what's new and what's news Through coverage of politics crime dining
