My Beauty Pageant Days Are Over:

You Had Me at Good-bye Tracey Bateman, 2008-02-13 Everything is on the line for aspiring editorial diva Dancy Ames when she's fired by her publisher. Could this be the time to risk it all on her writing career and maybe even love? Dancy Ames has an enemy Jack Quinn. The man who swoops in, steals her dream job at Lane Publishing and fires her saying she just doesn't have what it takes to be an editor. Now that she's unemployed, Dancy must find a new career. Coffee barista, English teacher, literary agent. Hmm. Maybe she'll write a novel, a nasty invective featuring a relentless job-stealing coffee-drinking stalker who falls in love with a coffee barista. She's got time on her hands so when her friends dare her to send Jack a proposal under an assumed name, she takes them up on it. If he likes it, she'll have her ultimate revenge. But what will she do when it turns out that Jack is interested in her book and maybe more.

Boy Days Were Happy, Happy Days Leroy S. Rose, 2012-08-31 Boy days is that period of growing up where you become aware of yourself as you progress from a small boy going to school and gradually enter the world as an adult. During those formative years, boys experience and experiment with all aspects of adolescent life. Not all boys do experience these wonderful stimuli of growing up and later in their adult lives if they are unable to do certain things, they are often told that they did not have boy days. This book is about a person who experienced the whole gamut of boy days. Accompany him as he and his friends go from one boyhood adventure to another. Do things with your mind that make you wish you had done in your growing up years. Parts of this book will bring back fond memories to some and maybe misery to others. Sit back, lie back, relax and reminisce about all our yesteryears. They were indeed happy, happy days.
