Rift Watcher C R Simper:

Rift Watcher C. R. Simper, 2015-12-21 Sixteen year old Onnie newly minted adult isn't sure what she wants in life but she is sure what she doesn't want and going off to the Interplanetary Alliance's Academy is at the top of that list. When she purposely flunks the entrance exam she's certain that's why her father commanded her and her brother Jayesh to return to Rift Watcher Station. As Onnie settles into her new life on Rift Watcher will she find a place of her own? Chief Medical Officer Darragh Conally has issues and secrets. As Onnie determinedly worms her way into his life and forges a friendship he doesn't want those secrets come dangerously close to being exposed. But how do you tell the Captain's daughter to back off without risking your job? There's something wrong with the relationship between the Galladirans and the Earthers. It's all polite on the surface too polite. And Onnie can feel the tension rippling underneath. How long will it be until things break wide open?

Into the Rift C. R. Simper, 2016-11-09 Onnie Nayir didn't rescue the transport passengers without help but to keep his secrets Darragh Conally is perfectly content to let her have all the glory. The rescue story is changing the minds of Galladirans about the Earther Alliance and getting them to rally behind the captain of Rift Watcher Station so Onnie goes along. Not every Galladiran is impressed. When the cold hand of vengeance reaches out against her family Onnie can do nothing to stop it and Darragh who could have easily saved the day disappears at the wrong time and misses his chance. Onnie is determined to insert herself into the rescue plan but that means teaming up with a troubled Galladiran teen defying her dad's order to return to Earth and somehow forgiving Darragh's failure all to follow her stolen little brother into The Rift.

The Last Edenite C. R. Simper, 2018-08-31 Onnie Nayir's quest to find her brother continues with the help of new friends. The Blackjack's journey towards a frozen prison planet is fueled by speculation and hope with the added bonus of new enemies close on their tail. As Darragh's focus on the rescue details borders on obsessive Onnie suspects his not so secret concern for her happiness could be the reason but it's not the only one. The long journey has already dredged up several shadows from his past. Are there still more? The planet ahead could present more questions than answers including the important one no one's thought to ask: Who is really in charge on this side of The Rift? C.R. Simper delivers again. *The Last Edenite* kept me spellbound and turning pages well into the night. Betsy Love author of the *StarBride Chronicles*.
