Rise Of The New World Order 2 The Awakening:

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that

is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book

Rise of the New World Order 2 Jeff Hays,2015-05-16 Apocrypha and prophecy **The Dragon's Shadow: The New World Order** Pasquale De Marco,2025-04-24 China s rise has been one of the most significant geopolitical developments of the 21st century With its rapidly growing economy expanding military and ambitious foreign policy China is poised to become a global superpower But what does this mean for the world In this thought provoking book we explore China s rise and its implications for the global order We examine China s economic miracle and its impact on the global economy We also discuss China s military modernization and its growing military power Furthermore we analyze China s foreign policy and its ambitions to become a global leader While some see China as an unstoppable force destined for global dominance others are more skeptical They point to China s internal challenges such as its growing wealth inequality environmental degradation and a rapidly aging population They also question whether China has the political and cultural soft power to truly lead the world Whether China will ultimately become the next superpower remains to be seen However there is no doubt that China will continue to play an increasingly important role in world affairs Its rise will have profound implications for the global economy international security and the global balance of power This book is a must read for anyone who wants to understand China s rise and its impact on the world It is a comprehensive and insightful analysis of one of the most important geopolitical developments of our time If you like this book write a review on google books

[The War of Atlantis and the New World Order](#) Sherridean Abddeen ,2025-09-17 In the year 2027 the world was shaken by an unexplainable phenomenon the lost city of Atlantis reemerged from the depths of the ocean perfectly intact and teeming with life It was as if time had never moved forward for the Atlanteans every soul that had perished in the city s fall was alive and well yet utterly bewildered by the world they now faced Scientists scrambled to comprehend the inexplicable event unable to rationalize how a once sunken civilization had suddenly risen from the sea without a single moment lost Word of Atlantis resurrection spread like wildfire People rushed in boats to witness the impossible cameras rolling in disbelief Governments across the globe activated their most secretive and elite unidentified units sealing off the island from intruders Anyone who had set foot in Atlantis was taken into custody never to be seen again The world s leaders caught between wonder and fear sought answers that science could not provide At the heart of this mystery lay an even deeper truth the return of Atlantis was not an accident It was a love story that defied the very fabric of reality A volcanic eruption beneath the city had triggered a rift in time awakening Queen Aaliyah of Atlantis from her centuries long slumber Her coffin buried beneath the ocean floor

was thrown open releasing her soul to search for the love she had lost Michael the man who had died alongside her in Atlantis destruction When their spirits reunited and their lips met once more the very essence of time fractured A shift in the timeline resurrected the entire city restoring its people to the day before their doom The Guardians of the Realms an ancient order tasked with maintaining balance across dimensions recognized the magnitude of this event This was unlike any anomaly they had ever encountered and the potential consequences were unfathomable As the world panicked the Guardians convened an emergency summit summoning all realm guardians to Atlantis in a desperate bid to contain the event The global government however had no patience for understanding Fearful of what they could not control they saw only one solution Atlantis must be destroyed once again The leaders of the New World Order agreed to the Guardians plan to eliminate the city and its inhabitants before the timeline s corruption spread further The decision was made in secrecy a swift and decisive act to erase Atlantis from history once more But Queen Aaliyah would not allow her people to perish again Upon learning of the betrayal the Queen declared war on the New World Order She vowed that Atlantis would not fall a second time and rallied her people preparing for battle against those who sought to erase them The Atlanteans once peaceful and wise had been given a second chance at life and they would not let it be stolen from them With ancient knowledge and technology long forgotten by modern civilization they were prepared to defend their home Thus began the War of Atlantis and the New World Order A war between the old world and the new A war between love and fear A war that would determine the fate of time itself

South Asia in the New World Order Shahid Javed Burki,2011-03-24 Rapid changes have taken place in the structure of the global economy and this book looks at how South Asia can take advantage of these changes The author argues that the developing global economy will be more complex than originally thought that instead of a bipolar model with two countries the US and China at the centre it will be multipolar with eight centres of economic activity including India The book goes on to suggest that in the context of such a model there should be regional cooperation between India and its immediate neighbouring countries for South Asia to advance as an economic region It argues that South Asia will need to look at its history and that changes in attitudes particularly in India and Pakistan are necessary The possible benefits to the region in terms of increases in the rates of economic growth if the regional approach is adopted are discussed The book presents a useful contribution to studies in South Asia as well as Asian Economics

Chinese and Indian Strategic Behavior George J. Gilboy,Eric Heginbotham,2012-03-12 This book offers an empirical comparison of Chinese and Indian international strategic behavior It is the first study of its kind filling an important gap in the literature on rising Indian and Chinese power and American interests in Asia The book creates a framework for the systematic and objective assessment of Chinese and Indian strategic behavior in four areas 1 strategic culture 2 foreign policy and use of force 3 military modernization including defense spending military doctrine and force modernization and 4 economic strategies including international trade and

energy competition The utility of democratic peace theory in predicting Chinese and Indian behavior is also examined The findings challenge many assumptions underpinning Western expectations of China and India *Beyond the Final Reckoning* Pasquale De Marco, 2025-08-13 Final Fantasy VII is a landmark RPG that has captivated gamers for over two decades Its epic story memorable characters and innovative gameplay have made it one of the most beloved games of all time This comprehensive guide will provide you with everything you need to know about the world of Final Fantasy VII from the history of the planet Gaia to the secrets of the Materia Whether you re a longtime fan of the game or a newcomer to the series this guide will help you get the most out of your Final Fantasy VII experience We ll cover everything from the basics of the game to the most advanced techniques so you can become a master of the Materia and save the planet from the clutches of Sephiroth In this guide you ll find A detailed walkthrough of the main story including all side quests and optional areas In depth character profiles for all of the major characters including their backstories and motivations A comprehensive bestiary of all the monsters you ll encounter with their stats and weaknesses A complete list of all the items weapons and armor in the game with their locations and effects A guide to the Materia system including how to use Materia to power up your characters and weapons With this guide in hand you ll be ready to take on any challenge that Final Fantasy VII throws your way So what are you waiting for Grab your copy today and start your journey to save the planet This guide is the perfect companion for any Final Fantasy VII fan Whether you re a seasoned veteran or a newcomer to the game you ll find everything you need to know about the world of Gaia and its inhabitants So don t wait any longer order your copy of *Beyond the Final Reckoning* today If you like this book write a review *The European Superpower* John McCormick, 2017-09-16 In this important new book McCormick argues that the EU has become an economic and political superpower whose new global role calls into doubt most of the recent assessments of unipolarity in world politics and American Empire In his inimitably clear and accessible style McCormick shows how the rise of Europe has been underplayed
