Englund-Krieger,2015-02-06 American Presbyterians have a remarkable heritage of foreign mission work While today the mission and ministry of the Presbyterian Church and all of mainline Protestantism is in a time of reformation and deep change it is vital to remember this heritage of world mission The Presbyterian Mission Enterprise tells this story by highlighting significant mission leaders through the ages Our story includes Francis Makemie a colonial era missionary pastor and church planter who gathered with colleagues to form the first Presbytery in 1706 Tough old school Presbyterians like Ashbel Green insisted on a distinctive Presbyterian mission effort and Presbyterians were among those who heard the call exemplified by William Carey to take the gospel to the whole world This vision beckoned Walter Lowrie into leadership and Presbyterians joined the great missionary movement Robert Speer was a driving force behind this growing movement negotiating a moderate path through bitter conflicts After the traumas of World War II John Coventry Smith worked to reconfigure and redirect the mission enterprise Now in an era marked by fragmentation and realignment leaders like Clifton Kirkpatrick and Hunter Farrell work to continue the Presbyterian mission enterprise as a vital piece of the way forward Our heritage guides our future **The First Presbyterian Church** Philo Adams Otis,2007 *The United Presbyterian*

Cashdollar,2010-11-01 A Spiritual Home explores congregational life inside British and American Reformed churches between 1830 and 1915 At a time when scholars have become interested in the day to day experience of local congregations this book reaches back into the nineteenth century a critically formative period in Anglo American religious life to examine the historical roots of congregational life Taking the perspective of the laity Cashdollar ranges widely from worship and music to fund raising and

administration from pastoral care to social work from prayer meetings to strawberry festivals from the sanctuary to the kitchen Firmly rooted in broader currents of gender class notions of middle class respectability increasing expectations for personal privacy and patterns of professionalization he finds that there was a gradual shift in emphasis during these years from piety to fellowship Based on records publications and memorabilia from about 150 congregations representing eight denominations A Spiritual Home gives us a comprehensive composite portrait of religious life in Victorian Britain and America **The Presbyterian Historical Almanac and Annual Remembrancer of the Church** Joseph M.
