Grassroots Unity in the Charismatic Renewal Connie Ho Yan Au, 2011-02-23 This book explores the nature of grassroots unity in the British charismatic renewal in the 1970s and its significance to ecumenism The study is based on the five international conferences of the Fountain Trust and focuses on two grassroots activities worship in general and the celebration of the Eucharist in particular Worship in this setting nurtured unity through charisms but the Eucharist exposed the inadequacy of this grassroots unity because of doctrinal and ecclesiological differences This book aims to suggest a way forward by searching for the complementarity of institution and charisms and Christology and Pneumatology in a charismatic context It argues that the two emphases of the charismatic renewal charisms and the Holy Spirit complement the institutional commitments of the church and ecumenism The concepts of Christus praesens and Spiriti praesens are considered intrinsic to the charisms and thus Christology and Pneumatology should both be considered significant for ecumenism The study finally discusses the complementarity of ecumenical institutions and the charismatic renewal the convergence of ecumenical streams and continuity in modern ecumenical history

The Work Of Christ: Past, Present and Future Arno Clemens Gaebele, 2019-12-12 In The Work of Christ Past Present and Future Arno Clemens Gaebele provides an expansive theological exploration of Christ's redemptive work across time Drawing from Scripture Gaebele employs a didactic literary style that marries exegesis with practical application bridging biblical history with contemporary Christian life He systematically addresses Christ's roles from His pre incarnate existence through His earthly ministry to His future return establishing a comprehensive framework

that is both academically rigorous and accessible to a broad audience. The work reflects the optimism of early 20th century evangelicalism, inviting readers to engage with doctrinal clarity amid the complexities of modernity. Arno Clemens Gaebele, a prominent theologian and biblical scholar, dedicated his life to the study of Scripture and its applications in everyday faith. His experiences as a pastor and a teacher, along with his involvement in the prophetic movements of his time, deeply informed his theological perspective and compelled him to address the significance of Christ's work in a rapidly changing world. Gaebele's unique insights into eschatology and systematic theology offer a substantial contribution to understanding the Christian faith. Readers seeking a profound and comprehensive understanding of Christ's redemptive work will find Gaebele's book invaluable. His meticulous scholarly approach, combined with heartfelt devotion, makes this work a vital resource for both theologians and laypersons alike. Whether for personal growth or academic study, *The Work of Christ* is a compelling invitation to delve into the heart of Christian faith and doctrine.
