

PRINCIPLES OF MANAGEMENT

↳ Meaning of Principles of Management

Management principles are statement of fundamental truth. They act as guidelines for decision making and behaviour of managers.

→ Features of Principle of Management

1. Pervasive : The principles are universal in nature and can be applied to all types of organisations irrespective of their size and nature like business or non-business, big or small, public or private sector.
2. General guidelines : These principles are guidelines to managerial action. They do not provide readymade solution for any problem.
3. Formed by practice and experiments : The management principles are developed after deep observation and experimentation. They are not developed overnight and therefore they are evolutionary in nature.
4. Flexible : Management principles can be applied differently under different conditions. Some modifications can be made according to the requirement.

Piracy and the Privatisation of Maritime Security Eugenio Cusumano,Stefano Ruzza,2020-07-27 In response to pirate attacks in the Western Indian Ocean countries worldwide have increasingly authorized the deployment of armed guards from private military and security companies PMSCs on merchant ships This widespread trend contradicts states commitment to retain a monopoly on violence and discourage the presence of arms on civilian vessels This book conceptualizes the extensive use of PMSCs as a form of institutional isomorphism combining the

functionalist ideational political and organizational arguments used to account for the privatization of security on land into a synthetic explanation of the commercialization of vessel protection
