The Pentecostal Gender Paradox Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and

egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality

Avant Canada Gregory Betts, Christian Bök, 2019-01-10 Avant Canada presents a rich collection of original essays and creative works on a representative array of avant garde literary movements in Canada from the past fifty years From the work of Leonard Cohen and bpNichol to that of Jordan Abel and Liz Howard Avant Canada features twenty eight of the best writers and critics in the field The book proposes four dominant modes of avant garde production Concrete Poetics which accentuates the visual and material aspects of language Language Writing which challenges the interconnection between words and things Identity Writing which interrogates the self and its sociopolitical position and Copyleft Poetics which undermines our habitual assumptions about the ownership of expression A fifth section commemorates the importance of the Centennial in the 1960s at a time when avant garde cultures in Canada began to emerge Readers of this book will become familiar with some of the most challenging works of literature and their creators that this country has ever produced From Concrete Poetry in the 1960s through to Indigenous Literature in the 2010s Avant Canada offers the most sweeping study of the literary avant garde in Canada to date

The London Literary Gazette and Journal of Belles Lettres, Arts, Sciences, Etc ,1828 *Black Panther* By Christopher Priest Christopher Priest, 2015-12-09 Black Panther 1998 18 35 Deadpool 1997 44 [The Violence of Development](#) Martin Mowforth, 2014-03-20 This book examines the failure of development in Central America where despite billions of dollars of development funding and positive indicators of economic growth poverty remains entrenched

and violence endemic Martin Mowforth shows how development is predicated on force and systematic violence through which the world's most powerful governments financial institutions and companies punish the global south Crucially the analysis in *The Violence of Development* comes from many development project case studies and over sixty interviews with a range of people in Central America including nuns politicians NGO representatives trade unionists indigenous leaders and human rights defenders This book is a compelling synthesis of first hand research and development theory

Divided Power Emily Grafton, 2025-10-06T00:00:00Z Reconciliation as set out by the Truth and Reconciliation Commission is a process of understanding the Canadian state's genocide against Indigenous Peoples and creating a new relationship between Indigenous Peoples and settlers based on mutual respect and dignity Given the racism and paternalism embedded in the Canadian state and related institutions building such a relationship is a monumental task but in addition there is a major structural roadblock in the way federalism the political system that organizes Canadian governance *Divided Power* argues that Canada's system of federalism rooted in settler colonialism has dispossessed Indigenous Peoples for settler benefit Far from being a neutral balanced way to distribute responsibilities and powers the division between the state and provinces and territories obstructs Indigenous Peoples agency and governance Under such coercive political exclusion how can truth and reconciliation be fully achieved Emily Grafton meticulously traces the ways that federalism limits the potential for reconciliation and proposes alternative power sharing models Guiding readers through the terrain of debate Grafton deftly and accessibly merges a political analysis of federalism with a clear assessment of settler colonialism to argue that reconciliation will be incomplete for as long as the current division of powers persists *Divided Power* points to a promising approach to holding the Canadian state responsible for integrating the principles of truth and reconciliation into its very foundation
