this book are one hundred and fifty fish tales from fifty years of fishing shared by an avid fisherman who has also spent the last fifty years fishing for men as a small town pastor in New England This accounting of passed fishing trips and fish caught reflects on the spiritual application to the techniques and tactics using in fishing for trout and salmon and a few other species of fish to the biblical application for people Jesus called fishers of men In each of these short stories Pastor Blackstone reveals to his reader the wonderful blessings that come from leading someone to a saving knowledge of his Lord and Savior Jesus Christ The author is convinced that Jesus deliberately chose fishermen to be his earliest disciples men he would call apostles because those Galilean fisherman had the necessary characteristics and qualifications to teach cast his gospel and to share it with the multitudes It is the hope of the writer that this book will not only be of interest to someone that fishes but ultimately will be found profitable to anyone that wants to share his or her faith in Jesus Christ with others *EERT UW VADER EN UW MOEDER* diverse dichters en schrijvers, 2020-03-21 Verhalen en gedichten over ouders en andere
