The Strangeness of Gods S. C. Humphreys, 2004-09-30 The Strangeness of Gods combines studies of changes in modern interpretations of Greek religion with studies of changes in Athenian ritual The combination is necessary in order to combat influential stereotypes that Greek religion consisted of ritual without theological speculation that ritual is inherently conservative To re-examine the evidence for Greek rituals and their interpretation is also to re-examine our own preconceptions and prejudices The argument presented by S C Humphreys tries to bring Greek texts closer to the classic texts of other civilizations and religion as a form of speculative thought closer to science Her studies of Athenian rituals put this emphasis on changing interpretations into practice showing that the Athenians thought about their rites as well as celebrating them

Chasing the Thrill Daniel Barbarisi, 2021-05-18 Daniel Barbarisi plunges into an adventure from another era when he goes in search of buried treasure guided only by a cryptic poem a mischievous art collector and the footsteps another pursuer who died on the quest Every page draws you deeper into this no man's land where fortune or tragedy awaits Christopher McDougall author of Born to Run When Forrest Fenn was given a fatal cancer diagnosis he came up with a bold plan He would hide a chest full of jewels and gold in the wilderness and publish a poem that would serve as a map leading to the treasure's secret location But he didn't die and after hiding the treasure in 2010 Fenn instead presided over a decade long gold rush that saw many thousands of treasure hunters scrambling across the Rocky Mountains in pursuit of his fortune Daniel Barbarisi first learned of Fenn's hunt in 2017 when a friend became consumed with decoding the poem and convinced Barbarisi a reporter to document his search What began as an attempt to capture the inner workings of Fenn's hunt quickly turned into a personal quest that led Barbarisi down a reckless and potentially dangerous path one that found him embroiled in searcher conspiracies and matching wits with Fenn himself Over the course of four chaotic years several searchers would die endless controversies would erupt and one hunter would ultimately find the chest But the mystery didn't end there Full of intrigue danger and break neck action Chasing the Thrill is a riveting tale of desire obsession and unbridled adventure

Quadrant James Phillip McAuley, 1984 **The Twyford Code** Janice Hallett, 2023-01-24 The mysterious connection between a teacher's disappearance and an unsolved code in a children's book is explored in this new novel from the modern Agatha Christie The Sunday Times London and author of The Appeal Forty years ago Steven Smithy Smith found a copy of a famous children's book by disgraced author Edith Twyford its margins full of strange markings and annotations

When he showed it to his remedial English teacher Miss Iles she believed that it was part of a secret code that ran through all of Twyford's novels And when she later disappeared on a class field trip Smithy becomes convinced that she had been right Now out of prison after a long stretch Smithy decides to investigate the mystery that has haunted him for decades In a series of voice recordings on an old iPhone Smithy alternates between visiting the people of his childhood and looking back on the events that later landed him in prison But it soon becomes clear that Edith Twyford wasn't just a writer of forgotten children's stories The Twyford Code holds a great secret and Smithy may just have the key Filled with numerous clues acrostics and red herrings this thrilling scavenger hunt for the truth is delightfully deceptive and thoroughly immersive Publishers Weekly starred review
