Quality Life Living Standards Analysis:

Quality of Life and Living Standards Analysis Sergey Artemyevich Aivazian, 2016-01-15 This book is about the concept of Quality of Life What is necessary for quality of life and how can it be measured The approach is a multicriterial scheme reduction which prevents as much information loss as possible when shifting from the set of partial criteria to their convolution This book is written for researchers analysts and graduate and postgraduate students of mathematics and economics

Handbook of Quality of Life Research Robert W. Marans, Robert J. Stimson, Noah J. Webster, 2024-03-14 This erudite Handbook demonstrates how multiple approaches have been used to conceptualize measure and model the complex issue of quality of life QOL and individual well being emphasizing place and space as critical factors in a meaningful QOL experience among diverse populations including special attention given to older adults

Living Standards Analytics Dominique Haughton, Jonathan Haughton, 2011-09-18 The purpose of this book is to introduce discuss illustrate and evaluate the colorful palette of analytical techniques that can be applied to the analysis of household survey data with an emphasis on the innovations of the past decade or so Most of the chapters begin by introducing a methodological or policy problem to motivate the subsequent discussion of relevant methods They then summarize the relevant techniques and draw on examples many of them from the authors own work and aim to convey a sense of the potential but also the strengths and weaknesses of those techniques This book is meant for graduate students in statistics economics policy analysis and social sciences especially but certainly not exclusively those interested in the challenges of economic development in the Third World Additionally the book will be useful to academics and practitioners who work closely with survey data This is a book that can serve as a reference work to be taken down from the shelf and perused from time to time
