the midst of your greatest pain Davey Blackburn wrestled with that age old question in the aftermath of the murder of his beloved wife Amanda and their unborn daughter As the high profile case slowly meandered its way toward legal justice Davey embarked on the wrenching task of finding strength to restore his shattered soul and the broken pieces of his life At turns horrific yet hope filled heartbreaking yet faith affirming Nothing Is Wasted is Blackburn s disarmingly raw account not only of the shocking tragedy that forever changed his life but of his late wife s inspiring trust in the God who welcomed her into His loving arms The trauma he endured could have made anyone try to escape from the agony yet by grace Blackburn chose to face the pain head on and cling to his Savior to guide him through the storm As the riveting story of one man s journey through the valley of suffering unfolds readers will join Blackburn in discovering the surprising ways that hope and joy can arise in the midst of any trial or sorrow the tension in accepting that Why may never become clear this side of eternity how a good Father is faithful to draw near to the brokenhearted how forgiveness is the key to finding freedom in even the most unimaginable of offenses where to discover purpose in the deepest pain how a breathtaking moment at the altar symbolized love s triumph over death and much more Most of us will never endure the depth of heartache that Blackburn has walked through and yet his message is for us all that even in the greatest losses and most complex tragedies God is inviting us on a path towards redemption and healing hope and faith where we can begin to see that nothing is wasted

Missing Out Adam Phillips,2025-10-16 From the leading psychoanalyst Adam Phillips comes Missing Out a transformative book about

the lives we wish we had and what they can teach us about who we are All of us lead two parallel lives the one we are actively living and the one we feel we should have had or might yet have As hard as we try to exist in the moment the unlived life is an inescapable presence a shadow at our heels And this itself can become the story of our lives an elegy to unmet needs and sacrificed desires We become haunted by the myth of our own potential of what we have in ourselves to be or to do And this can make of our lives a perpetual falling short But what happens if we remove the idea of failure from the equation With his flair for graceful paradox the acclaimed psychoanalyst Adam Phillips suggests that if we accept frustration as a way of outlining what we really want satisfaction suddenly becomes possible To crave a life without frustration is to crave a life without the potential to identify and accomplish our desires In this elegant compassionate and absorbing book Phillips draws deeply on his own clinical experience as well as on the works of Shakespeare and Freud of D W Winnicott and William James to suggest that frustration not getting it and and getting away with it are all chapters in our unlived lives and may be essential to the one fully lived
