QuickBooks Online Environment

Navigating QuickBooks Online

The QuickBooks Online Toolbar (or "QBO Toolbar") runs along the top of the application window and can be accessed from nearly every page in QuickBooks Online. The **Navigation Bar** runs along the left side of the window and contains the **+ New Button**, used to create new transactions, and links to the company file's pages. When a page is selected in QuickBooks Online, its contents will appear in the **Content Window**. Many pages contain tabs at the top of the page to access related page content. Note that restricted access users will not see all the links available in the Navigation Bar. The names of the links that appear also change, depending on whether you are using "Accountant View" or "Business View."

Accountant View & Business View

QuickBooks Online has two views: "Accountant View" and "Business View." While most tasks can be accomplished in both, "Accountant View" provides a full range of business and accounting tasks, while "Business View" streamlines the focus on the day-to-day ones. The view selected changes how some commands are accessed. Most changes appear in the interface, like the names of links for Navigation Bar commands. For the purposes of this guide, we use the "Accountant View" unless specifically stated otherwise. **To switch between views:**

1. Click the "Settings" button in the QBO Toolbar.
2. Click the "Switch to Accountant view" link or the "Switch to Business view" link in the menu.

Inactivating an Account

Accounts can be inactivated in QuickBooks Online, but they cannot be deleted. **To inactivate an account:**

1. Click the "Settings" button in the QBO Toolbar.
2. Click the "Chart of accounts" link.
3. Click the drop-down arrow in the "Action" column of the account, select "Make inactive," and click the "Yes" button to confirm.

To reactivate an inactive account:
