Christ, Christianity, & the Catholic Religion Joseph C. Whyte,2007-04-26 Christ Christianity the Catholic Religion is a personal biography that examines the theology of much of what is accepted today as Christianity and challenges much of that theology through the use of scriptural references and historical facts It covers such topics as the day of Jesuss crucifixion and resurrection the papacy and the Catholic religion heaven and hell consciousness after death and Christianity and homosexuality **12 Days of Christmas** Paul Michael Toth,2022-08-01 Twelve days before Christmas the angel Gabriel is sent to a family the Hopewells who live at 1222 Baker Street And after he touches the lights of their Christmas tree this family of sixPaul Julia Alexander Brandon Catherine and little Dashaexperience a season that none of them could have ever imagined In the following eleven days prior to Christmas they and their friendsCarter and Carrie Covington Samantha and Vic Welhausen David Livingston Aubrey Murphy and Jack Winterare amazed and entertained as the ornaments on the Hopewell tree become animated What first begins as entertainment eventually educates them to the fact they have been called to a heavenly mission a mission in which Lucifer will try his very best to thwart Come along with the Hopewell family and their friends as they learn what it means to encounter the forces of hell and watch how the heaven s army protects this tiny group Though Satan tries his best to keep this group cloaked in darkness the light of understanding slowly ascends on Paul his family and his friends All the darkness they experience being trapped in a burning house buried in the snow along a lonely highway immersed in a volcanic cloud of ash and more will only serve as background to the light that is slowly

dawning Light will win out While 12 Days of Christmas Light Ascending is fiction it forces you to think about the reality that you live in today *The Churchman* ,1890 **Why Are the Young People Leaving the Church** Ruben Joseph,2011-08-11

If you are a parent an elder a youth leader a pastor a priest or a young person inside or outside of the church this book is written just for you The youth of today are facing serious issues causing an unprecedented apathy in their walk with God It is said throughout the Bible that the youth will finish the battle They shall rise and have visions they will lead a holy revolution and finish the gospel Therefore the enemy is like a roaring lion seeking them especially to devour This book offers an analytic view of what is going on in our churches and provides practical solutions The book is not at all biased it is well grounded The book merely advocates religion but greatly elevates the Bible as the one and true guide to living a godly life Sometimes the youth are overlooked but that does not mean they must leave There is a raging storm on the outside and the only safe place is in the ark of safety As described in the chapters there is much fun in the world but they also come with consequences as did for Adam and Eve Traditions and culture can sometimes wrongly influence the youth but knowing Gods truth should serve as an anchor to keep Christians grounded The enablers tacitly infiltrate pagan customs which causes other religions to question Christianitys genuineness but the truth of the matter is Christianity is not the problem We must remain faithful be active in sharing the gospel and when Jesus our redeemer returns as the groom to take His bride the church hopefully we will all be part of the remnant elect **I'll be Home for Christmas** Ken Tate,Janice Tate,2002 Old tales and Memories and stories about Christmas **The Autobiography of Santa Claus** Jeff Guinn,2006-10-19 It all started when Jeff Guinn was assigned to write a piece full of little known facts about Christmas for his paper The Fort Worth Star Telegram A few months later he received a call from a gentleman who told him that he showed the story to an important friend who didn t think much of it And who might that be asked Jeff The next thing he knew he was whisked off to the North Pole to meet with this very important friend and the rest is well as they say history An enchanting holiday treasure The Autobiography of Santa Claus combines solid historical fact with legend to deliver the definitive story of Santa Claus And who better to lead us through seventeen centuries of Christmas magic than good ol Saint Nick himself Families will delight in each chapter of this new Christmas classic one per each cold December night leading up to Christmas Nina White,2009-07 In The Secret of God we meet our heroine Sophia a wealthy American Archaeologist and member of the world s most powerful Society Prompted by questions about whether or not God exists the meaning of life and the purpose of mankind Sophia reveals the ancient secret of God and the hidden truth behind the creation of mankind to her daughter s family when she visits them over the Christmas holidays at their manor in England If you have ever asked yourself the same questions then this book is for you For the answers to these compelling questions and more read on
