organizations that gathered around the fight against communism as well as the ideas and images used to disseminate their arguments including international sources of inspiration The argument presented is not one of mere condemnation but as dictatorship has reared its head post 1964 an assessment is long overdue in order to understand the political impact of anti communist movements which have contributed to enable the longstanding police military repressive machine of the Brazilian State The current return of anti communism to the Brazilian political scene is evidence of the book s thesis that this phenomenon took root in Brazilian society during the first decades of the twentieth century On Guard Against the Red Menace helps to understand why a candidate of military origin who promises to rid the country of the reds won the October 2018 elections in Brazil by adopting a discursive strategy that represents the appropriation of the anti communist tradition analyzed in this book

Grandmothers on Guard Jennifer Johnson,2021-05-18 For about a decade one of the most influential forces in US anti immigrant politics was the Minuteman Project The armed volunteers made headlines patrolling the southern border What drove their ethno nationalist politics Jennifer L Johnson spent hundreds of hours observing and interviewing Minutemen hoping to answer that question She reached surprising conclusions While the public face of border politics is hypermasculine men in uniforms fatigues and suits older women were central to the Minutemen Women mobilized support and took part in border missions These women compel us to look beyond ideological commitments and material benefits in seeking to understand the appeal of right wing politics Johnson argues that the women of the Minutemen were motivated in part by the gendered experience of aging in America In a society that makes old women irrelevant aging white women found their place through anti immigrant activism which wedded native politics to their concern for the safety of their families Grandmothers on Guard emphasizes another side of nationalism the yearning for inclusion The nation the Minutemen imagined was not only a space of exclusion but also one in which these women could belong
