Pentecostal Aesthetics Steven Felix, 2015-02-04 Pentecostals have not sufficiently worked out a distinctively Pentecostal philosophy of art and aesthetics In *Pentecostal Aesthetics Theological Reflections in a Pentecostal Philosophy of Art and Aesthetics* with a foreword by Amos Yong Steven Felix corrects this by reflecting theologically on art and aesthetics from a global Pentecostal perspective particularly through a pneumatic Pentecostal lens Felix contends that a Pentecostal philosophy of art and aesthetics must comply with the global experiential and pneumatocentric nature of the Pentecostal movement Such a philosophy can be ontologically grounded in a relativistic theory of art Theological reflections concerning the nature and purpose of art must then be sensitive to the ontological foundations secured thereof In this fashion Pentecostals can gain ample insight about the Spirit's work in today's contemporary artworld

God's Design For the Church Apostle Sharon E. Harris, 2024-05-08 The Church of the Living God is the only organization in this world that will transcend to the next world and throughout all eternity Everything else in this world will vanish away but God's Church will last for all eternity now and forever God has structured the Church and everyone must know what that structure is The information in this book has been divinely inspired by the Holy Spirit because Scripture is used to answer Scripture It is based on what God says with Scriptures that make it plain The information in this timeless book will change a Church a ministry and also change a Believer's personal walk with the Lord It is group worthy as well as individual worthy of study because God has His Blueprint for His Church and it is all hidden in Scriptures and being able to interpret the language of the Author which is the Holy Spirit will lead us in the wealth of Spiritual prosperity The Holy Spirit is the Designer of God's Blueprint for His Church and He wants us all to understand His way because no prophecy of the Scriptures is of private interpretation He wants us to know how we are individually and collectively designed and knowing this will transform us into His glorious Church This book will help you recognize your place in the Body of Christ His Church as He works on us individually and collectively Till we all come in the unity of the faith

and of the knowledge of the Son of God unto a perfect man unto the measure of the stature of the fulness of Christ Ephesians 4 13 This book is profitable for individual Church and group studies It will help you see the spiritual construction from beginning to end from start to finish and we will stand in awe of this great Architect the designer of our souls God our Father and the Lord Jesus Christ *Pentecostal Theology for the Twenty-first Century* MayLing Tan-Chow,2007-01-01 This is a book for students pastors teachers and theologians concerned for an approach to mission that is sensitive to their context who want to learn from a creative theological voice from what has been perhaps the largest religious movement in history and who see the immense potential in lively theology by Christians of the Chinese diaspora who can speak to the many millions of ethnic Chinese Christians This book will also appeal to those outside Christianity who are interested in its attempts to engage with a complex multi ethnic and multi religious situation such as that in Singapore *Pentecostal Theology and Ecumenical Theology* ,2019-09-16 Pentecostal Theology and Ecumenical Theology Interpretations Intersections and Inspirations brings together globally recognized and newer scholars to address the complex relationship between Pentecostalism and the Ecumenical Movement Historical essays address topics such as early Pentecostal responses to and participation in ecumenism explicit convergences between Pentecostal and ecumenical initiatives and the particular contributions of Pentecostals and ecumenists outside North America and Europe Constructive theological essays address intersections between ecumenical theology and systematic loci in Pentecostal perspective in the hope that mutual exchange and criticism will lead to ways to improve both Never before have this many scholars of Pentecostalism combined their efforts in order to focus on the relationship between Pentecostal theology and ecumenical theology past present and future

Three's a Crowd Jacqueline Grey,2011-06-13 Three's a Crowd brings together the three dialogue partners of Pentecostalism hermeneutics and the Old Testament Previous attempts by Pentecostal academics to define a distinctive Pentecostal hermeneutic have focused on issues and application to the New Testament consequently estranging the Old Testament from the conversation This book engages the hermeneutical practices of Pentecostal and Charismatic groups in reading the Old Testament in ways that are representative while critical of their movement's ideological bases and visions While the issue of understanding and developing a viable Pentecostal hermeneutic has continued to be debated within the academic journals of the community for over a decade most discussion has focused on the prescription of ideals rather than on the actual practice of the contemporary community By examining the reading practices of the Pentecostal and Charismatic community this book suggests a unique and rounded reading method that maintains the strengths of Pentecostal reading practices while addressing their inherent weaknesses In this way the voices of the three dialogue partners emerge in a mutual fellowship that engages both the needs of the Pentecostal community and informs the wider ecumenical dialogue
