Pentecostal Theology And The Christian Spiritual Tradition:

Pentecostal Theology and the Christian Spiritual Tradition Simon Chan, 2011-07-12 This book deals with the problem of Pentecostal traditioning. Traditioning has been ineffective thus far because the richness of Pentecostal faith and experience has been inadequately captured in the classical Pentecostal doctrines of Spirit baptism and glossolalia. A more adequate understanding of the key theological symbol of Pentecostalism, glossolalia, emerges when it is interpreted in the light of Christian spiritual tradition. Within this larger tradition, glossolalia can be seen as bringing together both the ascetical and contemplative dimensions of the Christian life. Chan thus explores the shape of Pentecostal ecclesiology as traditioning community.

Pentecostalism as a Christian Mystical Tradition Castelo, Daniel, 2017 Informed reassessment of Pentecostalism as a mystical tradition of the church universal. Pentecostalism says Daniel Castelo is commonly framed as evangelicalism with tongues or dismissed as simply a revivalist movement. In this book, Castelo argues that Pentecostalism is actually best understood as a Christian mystical tradition. Taking a theological approach to Pentecostalism, Castelo looks particularly at the movement's methodology and epistemology as he carefully distinguishes it from American evangelicalism. Castelo displays the continuity between Pentecostalism and ancient church tradition, creating a unified narrative of Pentecostalism and the mystical tradition of Christianity throughout history and today. Finally, he uses a test case to press the question of what the interactions between mystical theology and dogmatics could look like.

Pentecostal Theology for the Twenty-First Century May Ling Tan-Chow, 2016-05-13 In our post 9/11 world where there is a growing religious fundamentalism and when both exclusion and easy tolerance are inadequate options, this book offers a creative alternative, arguing that Pentecostalism has the potential to be a peaceful harbinger of plurality. The potential lies in its spirituality, a lively pneumatology and eschatology. The eschatological Spirit is seen as orientated towards the other, crossing boundaries in redemptive embrace, transcending exclusion and easy tolerance. This book's non-Western perspective and the empirical contextual study of Singapore's multicultural and multi-faith context are unique contributions to religion and society. This is a book for students, pastors, teachers, and theologians concerned for an approach to mission that is sensitive to their context, who want to learn from a creative theological voice from what has been perhaps the largest religious movement in history, and who see the immense potential in lively theology by Christians of the Chinese diaspora who can speak to the many.

millions of ethnic Chinese Christians This book will also appeal to those outside Christianity who are interested in its attempts to engage with a complex multi ethnic and multi religious situation such as that in Singapore

Pentecostal Theology Wolfgang Vondey, 2017-07-13 Winner of the Pneuma Book Award 2018 from The Society for Pentecostal Studies Pentecostalism is the most rapidly growing branch of Christianity since the 20th century yet it does not lend itself well to a singular doctrine and there is therefore no single comprehensive account of Pentecostal theology worldwide In this volume Wolfgang Vondey suggests an account of Pentecostal theology that is genuine to Pentecostals worldwide while allowing for different adaptation and explication among the various Pentecostal groups He argues that Pentecostal theology is fundamentally concerned with the renewal of the Christian life identified by the transforming work of the Holy Spirit and directed toward the kingdom of God The book unfolds in two main parts illustrating the full gospel story and theology Eleven chapters identify the spiritual underpinnings and motivations for Pentecostal theology formulate a Pentecostal theology of action translate apply and exemplify Pentecostal practices and experiences and integrate Pentecostal theology in the wider Christian tradition
