Persephones Quest Entheogens And The Origins Of Religion

Carl A. P. Ruck, Mark Alwin Hoffman

Persephones Quest Entheogens And The Origins Of Religion:

Persephone's Quest Robert Gordon Wasson, Stella Kramrisch, Jonathan Ott, 1986-01-01 This fascinating book discusses the role played by psychoactive mushrooms in the religious rituals of ancient Greece Eurasia and Mesoamerica R Gordon Wasson an internationally known ethnomycologist who was one of the first to investigate how these mushrooms were venerated and employed by different native peoples here joins with three other scholars to discuss the evidence for his discoveries about these fungi which he has called entheogens or god generated within **Persephone's Quest** ,1986 **The Origins of Shamanism, Spirit Beliefs, and Religiosity** H. Sidky, 2017-06-21 In The Origins of Shamanism Spirit Beliefs and Religiosity H Sidky examines shamanism as an ancient magico religious divinatory medical and psychotherapeutic tradition found in various parts of the world Sidky uses first hand ethnographic fieldwork and scientific theoretical work in archaeology cognitive and evolutionary psychology and neurotheology to explore the origins of shamanism spirit beliefs the evolution of human consciousness and the origins of ritual behavior and religiosity **Entheogens and the Future of Religion** Robert Forte, 2012-01-25 A study of the importance of psychedelic plants and drugs in religion and society With contributions by Albert Hofmann R Gordon Wasson Jack Kornfield Terence McKenna the Shulgins Rick Strassman and others Explores the importance of academic and religious freedom in the study of psychedelics and the mind Exposes the need for an organized spiritual context for entheogen use in order to fully realize their transformative and sacred value We live in a time when a great many voices are calling for a spiritual renewal to address the problems that face humanity yet the way of entheogens one of the oldest and most widespread means of attaining a religious experience is forbidden surrounded by controversy and misunderstanding Widely employed in traditional shamanic societies entheogens figure prominently in the origins of religion and their use continues today throughout the world They alter consciousness in such a profound way that depending on the set and setting they can produce the ultimate human experiences union with God or revelation of other mystical realities With contributions by Albert Hofmann Terence McKenna Ann and Alexander Shulgin Thomas Riedlinger Dale Pendell and Rick Strassman as well as interviews with R Gordon Wasson and Jack Kornfield this book explores ancient and modern uses of psychedelic drugs emphasizing the complementary relationship between science and mystical experience and the importance of psychedelics to the future of religion and society Revealing the mystical religious possibilities of substances such as psilocybin mushrooms mescaline and LSD this book exposes the vital need for developing an organized spiritual context for their use in order to fully realize their transformative and sacred value Stressing the importance of academic and religious freedom the authors call for a revival of scientific and religious inquiry into entheogens so they may be used safely and legally by those seeking to cultivate their spiritual awareness **A Brief History of Vice** Robert Evans, 2016-08-09 A celebration of the brave drunken pioneers who built our civilization one seemingly bad decision at a time A Brief History of Vice explores a side of the past that mainstream history books prefer to hide History has never been more

fun or more intoxicating Guns germs and steel might have transformed us from hunter gatherers into modern man but booze sex trash talk and tripping built our civilization Cracked editor Robert Evans brings his signature dogged research and lively insight to uncover the many and magnificent ways vice has influenced history from the prostitute turned empress who scored a major victory for women's rights to the beer that helped create and destroy South America's first empire And Evans goes deeper than simply writing about ancient debauchery he recreates some of history's most enjoyable and most painful vices and includes guides so you can follow along at home You'll learn how to Trip like a Greek philosopher Rave like your Stone Age ancestors Get drunk like a Sumerian Smoke a nose pipe like a pre-Columbian Native American Mixing science humor and grossly irresponsible self-experimentation Evans paints a vivid picture of how bad habits built the world we know and love David Wong author of *John Dies at the End* *Altered Consciousness in the Twentieth Century* Jake Poller, 2019-02-21

The twentieth century saw an unprecedented spike in the study of altered states of consciousness New ASCs such as those associated with LSD and psilocybin mushrooms were cultivated and studied while older ASCs were given new classifications out of body experiences near death experiences psychokinesis extrasensory perception *Altered Consciousness in the Twentieth Century* analyses these different approaches and methodologies and includes exciting new research into neglected areas This volume investigates the representation of ASCs in the culture of the twentieth century and examines the theoretical models that attempt to explain them The international contributors critically examine a variety of ASCs including precognition near death experiences telepathy New Age channelling contact with aliens and UFOs the use of alcohol and entheogens analysing both the impact of ASCs on the culture and how cultural and technological changes influenced ASCs The contributors are drawn from the fields of English and American literature religious studies Western esotericism film studies sociology and history of art and bring to bear on ASCs their own disciplinary and conceptual perspectives as well as a broader interdisciplinary knowledge of the subject The collection represents a vital contribution to the growing body of work on both ASCs and the wider academic engagement with millennialism entheogens occulture and the paranormal *A History of Mysticism* Richard H. Jones, 2024-04-01

This book offers a historical overview of mysticism in the world's major religious traditions Beginning with a chapter on the nature of mystical experiences *A History of Mysticism* then turns to a discussion of mysticism's prehistory in shamanism and the early use of psychedelics The possible role of mystical experiences among early Greek philosophers including Socrates and Plato is subsequently addressed followed by chapters on mysticism in Judaism Christianity Islam Hinduism Buddhism Daoism and a variety of present-day iterations including New Age mysticism secular mysticism and the scientific study of mystical experiences An appendix covering popular misunderstandings of mystical experiences and mysticism is also included Written in a clear accessible style this book is suitable for students of religion and philosophy as well as general readers interested in mysticism and the world's variety of mystical traditions *Shamanism* Mariko Namba Walter, Eva Jane Neumann Fridman, 2004-12-15 A guide to worldwide

shamanism and shamanistic practices emphasizing historical and current cultural adaptations This two volume reference is the first international survey of shamanistic beliefs from prehistory to the present day In nearly 200 detailed readable entries leading ethnographers psychologists archaeologists historians and scholars of religion and folk literature explain the general principles of shamanism as well as the details of widely varied practices What is it like to be a shaman Entries describe region by region the traits such as sicknesses and dreams that mark a person as a shaman as well as the training undertaken by initiates They detail the costumes music rituals artifacts and drugs that shamans use to achieve altered states of consciousness communicate with spirits travel in the spirit world and retrieve souls Unlike most Western books on shamanism which focus narrowly on the individual s experience of healing and trance Shamanism also examines the function of shamanism in society from social political and historical perspectives and identifies the ancient continuous thread that connects shamanistic beliefs and rituals across cultures and millennia

Entheogens, Myth, and Human Consciousness

Carl A. P. Ruck, Mark Alwin Hoffman, 2012-12-11

ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS is a much needed accessible exploration into the role of psychoactive sacraments entheogens in religion mythology and history and also includes most treatments of the subject focus on modern scientific research psychotherapy are auto bibliographic accounts or are agenda driven or otherwise naive and myopic A great mystery of altered states of consciousness and species development is expanding with new archeological and anthropological discoveries Religious story telling myth is a timeless journey Surprisingly it s not about truth It s about finding one s self in the midst of the discovery of the Other It is the story of what is separate and unknown that creates self consciousness Our entire life consists ultimately in the discovery of the Other which gives meaning to the discovery of the self The arts and language are the fossil remnants scattered on our path

ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS discusses the influence of psychoactive substances on consciousness human evolution and mystical experiences It explores how religion mythology art and culture stem from entheogenic consciousness and why it s important to us today Entheogens or psychoactive sacraments have a long storied history that has played an essential role in the evolution of consciousness mythology culture religion art and even history and politics

ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS outlines this suppressed yet seminal undercurrent of history giving examples of the role of entheogens from the primal shamanic religions through the historical religions esoteric mystical traditions including the Mystery Religions alchemy and Freemasonry and into contemporary expressions Authors Ruck and Hoffman draw upon decades of research and personal experience in discussing the best documented examples of historically important entheogenic evidences various ongoing threads of research and speculation to muse upon the meaning of it all Our hominid ancestors experienced a spiritual awakening at the very dawn of consciousness that set them apart from the other creatures of our planet It was a journey to another realm induced by a special food that belonged to the gods This was a plant that was animate with the spirit of deity It was an entheogen It was the visionary vehicle for the trip of the first shaman The

story was told over and over again until it achieved the perfect form of a myth. The realm was imagined as a topographical place, the outer limit of the cosmos, the fiery empyrean or its geocentric opposite, our own planet Gaia. Myths multiplied over time but they always preserved this primordial truth. These myths provide a road map, a scenario if you can read them for whoever today wants to follow. However, it is not an easy journey and it is also fraught with many dangers of getting lost or finding no return. Access to the entheogens is now largely prohibited or strictly licensed. The restrictions constitute an infringement of cognitive freedom, limiting the further evolution of human potential into productive creative imagination and experiences that lie beyond the normal, the traditional province of shamans who can understand the speech of plants and animals, change shape at will and journey both physically and in the spirit to distant exotic realms. In addition, religions have staked out territorial claims to this realm of spiritual consciousness. They have colonized it, identified it with their god, often reserving the access for their own elite. Similarly, trade in drugs, both medicinal and illegal, has colonized the entheogens, making them only chemicals, rationally depriving them of their spirit.

ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS

is a guide for the curious that provides a historical overview of the role that entheogens have played in the development of our unique supremacy as a species and offers also pathways and advice for reconnecting with the primordial sources of nature's power. ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS investigates the role entheogens have played in the evolution of humankind's attempt to define reality in a context of metaphysical or theological dimensions. Although other botanical intoxicants will be considered—cannabis, daphne, opium, Syrian rue, datura, mandrake—none, with the possible exception of mandrake, seem to have lent themselves so readily to metaphoric personifications which make this the subject for a course on mythology. The source of humankind's fascination and repulsion for fungi indeed leads to a fundamental consideration of the psychological nature of mankind's fascination or awareness of what, in the categorization of religions, is termed animism and rituals of ecstatic shamanism. In addition, the linking of bread and wine as sacramental foods is due to parallel concepts of controlled fungal growth as a simulacrum of the cosmos itself. The goal is not so much to acquire factual knowledge of this vast subject but to open up pathways for reflection upon the basic nature of human existence and consciousness. The narrative is the awesome history of discovery and the findings of ancient rituals that meld into twentieth-century controversy and criticism of psychedelics. The future of humanity and the direction of twenty-first-century brain science is challenged as well as our sense of social convention. Entheogens have been deemed prohibited, controlled substances and as such are an infringement of cognitive freedom. Whatever the danger of potential abuse, the substance is not the fault but the user. The hammer is not guilty but the carpenter who misuses it because of deficient training. In order to exonerate the executioner, in Classical antiquity the axe was brought to trial and found guilty. The prohibition has drastically retarded the investigation into the therapeutic potential of proscribed drugs, including their efficacy in curing addiction. Some of these substances also offer the potential for accessing levels of cognition and consciousness beyond the ordinary, the

traditional provenance of mystics and shamans like bilocation clairvoyance and zoomorphism **Chasing Immortality in World Religions** Deborah M. Coulter-Harris, 2016-07-25 Humans have been chasing immortality since the beginning of history seeking answers to sickness and aging death and the afterlife and questioning the human condition Analyzing ideas from ancient Sumer Egypt Greece and India as well as the Abrahamic religions of Judaism Christianity and Islam this study explores how early religious models influenced later beliefs about immortality the afterlife the human soul resurrection and reward and punishment The author highlights shared teachings among the most influential religions and philosophies concluding that humankind has not substantially changed its conceptions of immortality in 6 000 years This continuity of belief may be due to chromosomal memory and cultural inheritance or may represent a fundamental way of conceptualizing the afterlife to cope with mortality Instructors considering this book for use in a course may request an examination copy [here](#)

If you ally dependence such a referred **Persephones Quest Entheogens And The Origins Of Religion** book that will offer you worth, acquire the unconditionally best seller from us currently from several preferred authors. If you desire to funny books, lots of novels, tale, jokes, and more fictions collections are furthermore launched, from best seller to one of the most current released.

Persephones Quest Entheogens And The Origins Of Religion Introduction

In the digital age, access to information has become easier than ever before. The ability to download Persephones Quest Entheogens And The Origins Of Religion has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Persephones Quest Entheogens And The Origins Of Religion has opened up a world of possibilities. Downloading Persephones Quest Entheogens And The Origins Of Religion provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Persephones Quest Entheogens And The Origins Of Religion has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Persephones Quest Entheogens And The Origins Of Religion. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Persephones Quest Entheogens And The Origins Of Religion. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Persephones Quest Entheogens And The Origins Of Religion, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Persephones Quest Entheogens And The Origins Of Religion has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Persephones Quest Entheogens And The Origins Of Religion Books

1. Where can I buy Persephones Quest Entheogens And The Origins Of Religion books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Persephones Quest Entheogens And The Origins Of Religion book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Persephones Quest Entheogens And The Origins Of Religion books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Persephones Quest Entheogens And The Origins Of Religion audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible,

LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Persephones Quest Entheogens And The Origins Of Religion books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
