

THE PERSON AND THE COMMON GOOD

JACQUES MARITAIN

Person And The Common Good

Mary M. Keys

Person And The Common Good:

Human Rights, Virtue and the Common Good Ernest L. Fortin, 1996-12-19 Volume Three of Ernest Fortin Collected Essays discusses the current state of Christianity especially twentieth century Catholic Christianity and the problems with which it has had to wrestle in the midst of rapid scientific progress profound social change and growing moral anarchy In this volume Fortin discusses such topics as Christianity and the liberal democratic ethos Christianity science and the arts Ancients and Moderns papal social thought virtue and liberalism pagan and Christian virtue and the American Catholic church and politics

Human Rights and Common Good John Finnis, 2011-04-07 This central volume in the Collected Essays brings together John Finnis's wide ranging contribution to central issues in political philosophy The volume begins by examining the general theory of political community and social justice It includes the powerful and well known Maccabaeian Lecture on Bills of Rights a searching critique of Ronald Dworkin's moral political arguments and conclusions of the European Court of Human Rights approach to fundamental rights and of judicial review as a constitutional institution It is followed by an equally searching analysis of Kant's thought on the intersection of law right and ethics Other papers in the book's opening section include an early assessment of Rawls's *A Theory of Justice* a radical re interpretation of Aquinas on limited government and the significance of the private public distinction and a challenging paper on virtue and the constitution The volume then focuses on central problems in modern political communities including the achievement of justice in work and distribution the practice of punishment war and justice the public control of euthanasia and abortion and the nature of marriage and the common good There are careful and vigorous critiques of Nietzsche on morality Hart on punishment Dworkin on the enforcement of morality and on euthanasia Rawls on justice and law Thomson on the woman's right to choose Habermas on abortion Nussbaum and Koppelman on same sex relations and Dummett and Weithman on open borders The volume's previously unpublished papers include a foundational consideration of labour unions a fresh statement of a new grounding for the morality of sex a surprising reading of C S Lewis's *Abolition of Man* on contraception and an introduction reviewing some of the remarkable changes in private and public morality over the past half century

Religion and the Common Good Brian Stiltner, 1999-07-28 The term *Common good* has often been ill defined or undefined in political philosophical and theological discourses Brian Stiltner seeks to repair this deficit in his study *Religion and the Common Good* He explores the meaning of the common good and the prospects for pursuing it in a liberal society Focusing on the conceptions of common good in liberalism and communitarianism the former stressing individual rights and social tolerance the latter stressing a community's shared history and social practices Stiltner argues that the two theories are not as irreconcilable as they seem that they can be combined into a *communal liberalism* Stiltner provides an outline of the twentieth century Catholic common good theory as an example of such a synthesis A fascinating study *Religion and the Common Good* will be an invaluable volume for scholars of social ethics religion theology philosophy and political science

The Common Good and Christian Ethics David Hollenbach, 2002-08 The Common Good and Christian Ethics rethinks the ancient tradition of the common good in a way that addresses contemporary social divisions both urban and global David Hollenbach draws on social analysis moral philosophy and theological ethics to chart new directions in both urban life and global society He argues that the division between the middle class and the poor in major cities and the challenges of globalisation require a new commitment to the common good and that both believers and secular people must move towards new forms of solidarity

Aquinas, Aristotle, and the Promise of the Common Good Mary M. Keys, 2006-09-18
Publisher description

Leadership for the Common Good Barbara C. Crosby, John M. Bryson, 2005-02-18 When it was first published in 1992 the first edition of Leadership for the Common Good presented a revolutionary approach to community and organizational leadership in a shared power world Now in this completely revised and updated edition Barbara Crosby and John Bryson expand on their proven leadership model and offer new insights and guidance to leaders This second edition is a practical resource for a new generation of leaders and aspiring leaders and includes success stories challenges and real world experience

Aquinas, Feminism, and the Common Good Susanne M. DeCrane, 2004-01-29 To dismiss the work of philosophers and theologians of the past because of their limited perceptions of the whole of humankind is tantamount to tossing the tot out with the tub water Such is the case when feminist scholars of religion and ethics confront Thomas Aquinas whose views of women can only be described as misogynistic Rather than dispense with him Susanne DeCrane seeks to engage Aquinas and reflect his otherwise compelling thought through the prism of feminist theology hermeneutics and ethics Focusing on one of Aquinas's great intellectual contributions the fundamental notion of the common good in short the human will toward peace and justice DeCrane demonstrates the currency of that notion through a contemporary social issue women's health care in the United States and specifically black women and breast cancer In her skillful re engagement with Aquinas DeCrane shows that certain aspects of religious traditions heretofore understood as oppressive to women and minority groups can actually be parsed retrieved and used to rectify social ills Aquinas Feminism and the Common Good is a bold and intellectually rigorous feminist retrieval of an important text by a Catholic scholar seeking to remain in the tradition while demanding that the tradition live up to its emphasis on human equity and justice

John Rawls and the Common Good Roberto Luppi, 2021-12-29 The chapters in this book analyze the relationship between core concepts of the common good and the work of American political philosopher John Rawls One of the main criticisms that has been made of Rawls is his supposed neglect of central aspects of collective life The contributors to this book explore the possibility of a substantive and community oriented interpretation of Rawls's thought The chapters investigate Rawls's views on values such as community faith fraternity friendship gender equality love political liberty reciprocity respect sense of justice and virtue They demonstrate that Rawls finds a balance between certain individualistic aspects of his theory of justice and the value of community In doing so the book offers insightful new readings of Rawls John Rawls and the Common Good

will be of interest to scholars and advanced students working in political moral and legal philosophy

Times of Insight: Conscience, Corporations, and the Common Good Kenneth E. Goodpaster, 2022-09-01 This open access book traces the research and teaching contributions of Kenneth Goodpaster over more than 45 years of his career The book shows the content and the progression of these themes over the years identifying four insights in applied ethics the moral insight the institutional insight the anthropological insight and the Socratic insight It highlights such concepts as conscience corporate responsibility corporations as agents and as recipients stockholders stakeholders comprehensive moral thinking and ethics education In addition Goodpaster explains phrases such as teleopathy moral projection human dignity and the common good Finally the book examines with concern the implications of the foregoing for the polarizing and partisan trends in contemporary business behavior Kenneth Goodpaster's new book *Times of Insight: Conscience, Corporations, and the Common Good* reflects the culmination of 50 years of incredible philosophical insights forming the basis of business ethics His concept of corporate conscience as a moral projection from individual conscience to organizational behavior is both an original as well as a most worthwhile approach to organizational responsibility Coupling that with a clear notion of the common good Goodpaster provides substantive grounds for a creative analysis of ethical issues in business This is one of the most exciting new books in the field Patricia H Werhane Professor Emerita University of Virginia and Professor Emerita DePaul University

Beginners beware *Wickedly interdisciplinary* describes corporate ethics More than interdisciplinary the field asks questions that range across disciplines nations and centuries Who better to cut this Gordian Knot than Ken Goodpaster a true giant in the field who mixes a prodigious knowledge of contemporary corporations with a deep understanding of intellectual history to produce a new and stunning amalgam A must read Thomas Donaldson The Mark O Winkelman Professor The Wharton School University of Pennsylvania As one of the pioneers in business ethics Kenneth Goodpaster has given us a great gift of synthesizing 50 years of philosophical reflection and corporate practice on some of the most important questions and issues for business today This work is not nostalgia but an important source of wisdom for leaders today and into the future Dr Michael Naughton Director Center for Catholic Studies Koch Chair in Catholic Studies University of St Thomas

Catholic Schools and the Common Good Anthony S. Bryk, Valerie E. Lee, Peter B. Holland, 1993 The authors found that Catholic schools have an independent effect on achievement especially in reducing disparities between disadvantaged and privileged students Today's Catholic school they show is informed by a Dewey like vision of the school as a community committed to democratic education and the common good of all students

The Enigmatic Realm of **Person And The Common Good**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. While this might not be the Person And The Common Good full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle

Unlimited or Scribd offer subscription-based access to a wide range of Person And The Common Good eBooks, including some popular titles.

FAQs About Person And The Common Good Books

What is a Person And The Common Good PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Person And The Common Good PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF:

Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Person And The Common Good PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Person And The Common Good PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Person And The Common Good PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
