Alone Sam Lee, Daniel Taylor, Oliver Kay, 2021-10-05 A team of writers for The Athletic chronicles Manchester City Football Club's 2020/2021 season and their return to the top in this collection of articles. In season 2020/21, as Premier League football struggled to find its feet, one team rose above all others. Standing Alone is the story of Manchester City's return to the pinnacle of English football and their journey to a first Champions League final. An irresistible team led by the greatest coach of his generation, Pep Guardiola, fighting not only for all four trophies but for a place in history. Throughout this extraordinary season of breathtaking football, they were followed by another team of elite talents carefully assembled to leave the competition trailing in their wake. The result is an immersive real-time account of an untouchable Premier League win, yet another League Cup triumph, and finally, crushing defeat as history beckoned in the final of the Champions League. The Athletic team tell this story through expert analysis and exclusive interviews with players and staff. Pivotal games in the season are brought to life; key characters are profiled, including Sergio Aguero, a legend whose time is running out, and Ruben Dias emerging as England's Player of the Year. If you are a Manchester City fan, a fan of the scintillating football they play, or just a fan of great sportswriting, you'll want to replay a unique season with Standing Alone.

City in Europe Simon Curtis, 2022-08-04 A superb book and a must-read for any City fan. DANIEL TAYLOR, senior writer The Athletic: A thorough and delicious retelling of perhaps not the most successful of European journeys but definitely the most interesting. Fantastic. DAVID MOONEY, BBC Radio 5 Live: A book that brilliantly explodes the myth that City have no history or pedigree in Europe. SIMON MULLOCK, chief football writer Sunday Mirror: THE ESSENTIAL NEW HISTORY OF MANCHESTER CITY'S EUROPEAN TRIUMPHS AND TRAGEDIES, FEATURING A FOREWORD BY CITY LEGEND FRANCIS LEE. As one of the first English sides to taste glory in Europe, lifting the Cup Winners' Cup in 1970, City looked set for life among the continent's elite. But as their domestic fortunes went from bad to worse to absolute calamity, the wilderness returned. Avid City fan and respected journalist Simon Curtis dusts off the details of some truly intoxicating away days. Filled with tales of the club's travelling support and the evocative accounts of the journalists who saw the team of the Seventies, Curtis tells the story of a club steeped in history, defiantly refusing to bow to pomp and ceremony as it goes about lifting the ultimate prize. After a spectacular rebuild and having achieved all there is to achieve on the domestic stage, including a record-breaking 100-point season in 2017/18, City's deep-pocketed owners have their sights firmly set on European glory once more. Yet for all their recent success at home, they are anything but welcome guests at Europe's top table.
