Klaus W. Deininger, Paul Mpuga

Performance Accountability And Combating Corruption Public Sector Governance And Accountability:

Performance Accountability and Combating Corruption Anwar Shah, 2007 Performance based oversight and accountability can serve as an important antidote to government corruption inefficiency and waste This volume provides an analytical framework and operational approaches needed for the implementation of results based accountability The volume makes a major contribution to the literature on public management and evaluation Major subject areas covered in this book include performance based accountability e government network solutions to performance measurement and improvement institutions of accountability in governance legal and institutional framework to hold government to account fighting corruption external accountability ensuring integrity of revenue administration the role of supreme audit institutions on detecting fraud and corruption and the role of parliamentary budget offices and public accounts committees

Performance Accountability and Combating Corruption. Public Sector Governance and Accountability Series

Anwar Shah, 2007 This volume provides an analytical framework and operational approaches needed for the implementation of results based accountability The volume makes a major contribution to the literature on public management and evaluation Major subject areas covered in this book include performance based accountability e government legal and institutional framework to hold government to account fighting corruption and external accountability and the role of supreme audit institutions on detecting fraud and corruption

Integrity and Accountability in Government Carmen R. Apaza, 2016-05-23 The Inspector General IG s mission is to expose fraud waste and abuse as well as promoting efficiency in federal agencies Each year billions of dollars are returned to the Federal government or are better spent based on recommendations from IGs reports IG investigations have also contributed to the prosecution of thousands of wrongdoers including contractors and public employees With scarce literature on Inspectors General IGs Apaza addresses this by looking at the Inspector General for the Department of Homeland Security DHS which has proven to be of significant benefit to the US government

The European Union's Fight Against Corruption Patrycja Szarek-Mason, 2010-03-11 Analyses anti corruption policy within EU Member States and the evolution of anti corruption policy during the accession process

Local Public Financial Management Anwar Shah, 2007 Transparent and prudent local financial management has come to be recognized as critical to the integrity of local public sector and to gaining and retaining trust of local residents Such integrity and trust is sometimes lacking in some local governments in developing countries especially in the Africa region This volume attempts to provide practical guidance to local governments interested in establishing sound financial management systems Leading international experts have contributed to all relevant aspects of local public financial management cash management internal controls accounts audits and debt management

Evaluation Management in South Africa and Africa Fanie Cloete, Babette Rabie, Christo De Coning, 2014-12-01 This blind peer reviewed book systematically records analyses and assesses for the first time in a single volume the implications of the global development

and management of professional evaluation for the African continent The book deals with the most strategic contemporary evaluation themes Each of these themes contains discussions of theoretical issues illustrated with one or more short case studies while selected longer case studies and other relevant documentation are also taken up in annexures at the end of the book The book therefore comprises a guide to best M E practices for purposes of systematic policy programme and project evaluations It is suitable for both professional M E institutionalisation and capacity building projects as well as for evaluation information dissemination and education at different levels in the public private and voluntary sectors in society especially in a developmental context

A Guide to the World Bank World Bank, 2007-06-27 The World Bank Group is a vital source of financial and technical assistance to developing countries around the world Its focus is on helping the poorest people in the poorest countries by using its financial resources staff and extensive experience to aid countries in reducing poverty increasing economic growth and improving quality of life In partnership with more than 100 developing countries the Bank Group is striving to improve health and education fight corruption boost agricultural support build roads and ports and protect the environment Other projects are aimed at rebuilding war torn countries or regions providing basic services such as access to clean water and encouraging investments that create jobs In addition to this critical groundwork around the world various parts of the World Bank Group are involved in activities ranging from conducting economic research and analysis to providing financial and advisory services to governments and private enterprises This completely revised and updated second edition provides an accessible and straightforward overview of the World Bank Group's history organization mission and purpose Additionally for those wishing to delve further into subjects of particular interest the book guides readers to sources containing more detailed information including annual reports Web sites publications and e mail addresses for various departments It also provides information on how to work for or do business with the World Bank A good introduction for anyone interested in understanding what the World Bank Group does and how it does it this book shows readers who want to learn more where to begin

Anti-Corruption in International Development Ingrida Kerusauskaite, 2018-02-06 Corruption is linked to a wide range of developmental issues including undermining democratic institutions slowing economic development and contributing to government instability poverty and inequality It is estimated that corruption costs more than 5 per cent of global GDP and that more than one trillion US dollars are paid in bribes each year This book unpacks the concept of corruption its political and ethical influences its measurement commitments to combat corruption and ways that this is being attempted Building on the research on the nature causes and consequences of corruption this book analyses international anti corruption interventions in particular It discusses approaches to focus efforts to tackle corruption in developing countries on where they are most likely to be successful The efforts of the UK are considered as a detailed case study with comparisons brought in as necessary from other countries and multilateral institutions anti corruption efforts Bridging a range of disciplines *Anti Corruption in International Development* will be of

interest to students and scholars of international development public administration management international relations politics and criminal justice **The Handbook of Development Communication and Social Change** Karin Gwinn Wilkins,Thomas Tufte,Rafael Obregon,2014-01-22 This valuable resource offers a wealth of practical and conceptual guidance to all those engaged in struggles for social justice around the world It explains in accessible language and painstaking detail how to deploy and to understand the tools of media and communication in advancing the goals of social cultural and political change A stand out reference on a vital topic of primary international concern with a rising profile in communications and media research programs Multinational editorial team and global contributors Covers the history of the field as well as integrating and reconceptualising its diverse perspectives and approaches Provides a fully formed framework of understanding and identifies likely future developments Features a wealth of insights into the critical role of digital media in development communication and social change **Does Greater Accountability Improve the Quality of Delivery of Public Services?** Klaus W.
