SUBMISSION

READ:
1 Peter 2:13-25

*Submitting yourselves
one to another in the
fear of God.*

Ephesians 5:21

Often, when a wife is influenced by demons, she will reject her husband's authority. The words of the husband are despised and rejected. There is an angry reply to every instruction. There is a rejoinder to every bit of advice. I have watched as certain wives became deceived through familiarity.

The same thing happens in churches. Deceived church members rise against God's servant, calling him a tyrant but they do not know that they are totally deceived. Evil spirits of deception are taking hold of them. Jesus said, "Judge not." While on earth, we will never see

clearly enough to judge correctly. Churches are full of, critical, fault-finding and judgmental people. One of the highest kinds of deception, of demonic infiltration you can have in the church is to fight against the pastor. Show me a church with critical people and I will show you a church filled with demons.

Authorities in a nation must also be honoured and respected. It is in the rebellious underworld of cities that satanic and demonic activities thrive. Prostitution and armed robbery are examples of the activities of those who stand against authority in any nation. People under demonic control cannot be controlled by pastors, husband or any authority figure. "None could bind him, no not with chains"(Mark 5:3). Is that the description of your life? None can lay hands on you? None can be a father to you? None can be a pastor to you? None can be a husband to you? None can bind you, not even with chains!

Personal Devotional Guide 2015:

A Genealogy of Devotion Patton E. Burchett, 2019-05-28 In this book Patton E Burchett offers a path breaking genealogical study of devotional bhakti Hinduism that traces its understudied historical relationships with tantra yoga and Sufism Beginning in India s early medieval Tantric Age and reaching to the present day Burchett focuses his analysis on the crucial shifts of the early modern period when the rise of bhakti communities in North India transformed the religious landscape in ways that would profoundly affect the shape of modern day Hinduism A Genealogy of Devotion illuminates the complex historical factors at play in the growth of bhakti in Sultanate and Mughal India through its pivotal interactions with Indic and Persianate traditions of asceticism monasticism politics and literature Shedding new light on the importance of Persian culture and popular Sufism in the history of devotional Hinduism Burchett s work explores the cultural encounters that reshaped early modern North Indian communities Focusing on the R m nand bhakti community and the tantric N th yog s Burchett describes the emergence of a new and Sufi inflected devotional sensibility an ethical emotional and aesthetic disposition that was often critical of tantric and yogic religiosity Early modern North Indian devotional critiques of tantric religiosity he shows prefigured colonial era Orientalist depictions of bhakti as religion and tantra as magic Providing a broad historical view of bhakti tantra and yoga while simultaneously challenging dominant scholarly conceptions of them A Genealogy of Devotion offers a bold new narrative of the history of religion in India *Philosophy of Devotion* Paul Katsafanas, 2022 Paul Katsafanas examines the role of devotion as an ethical stance in human life Devotion typically involves treating certain values goals or relationships as inviolable incontestable and invulnerable to argument Katsafanas argues that devotion can be reasonable and suggests how it can avoid deforming into fanaticism **Devotional Fitness** Martin Radermacher, 2017-01-05 This book examines evangelical dieting and fitness programs and provides a systematic approach of this diverse field with its wide variety of programs When evangelical Christians engage in fitness and dieting classes in order to glorify God they often face skepticism This book approaches devotional fitness culture in North America from a religious studies perspective outlining the basic structures ideas and practices of the field Starting with the historical backgrounds of this current the book approaches both practice and ideology highlighting how devotional fitness programs construe their identity in the face of various competing offers in religious and non religious sectors of society The book suggests a nuanced and complex understanding of the relationship between sports and religion beyond simple functional equivalency It provides insights into the formation of secular and religious body ideals and the way these body ideals are sacralized in the frame of an evangelical worldview *Coming of Age in Jewish America* Patricia Keer Munro, 2016-05 The Jewish practice of bar mitzvah dates back to the twelfth century but this ancient cultural ritual has changed radically since then evolving with the times and adapting to local conditions For many Jewish American families a child s bar mitzvah or bat mitzvah is both a major social event and a symbolic means of asserting the family s ongoing connection to the core values of

Judaism Coming of Age in Jewish America takes an inside look at bar and bat mitzvahs in the twenty first century examining how the practices have continued to morph and exploring how they serve as a sometimes shaky bridge between the values of contemporary American culture and Judaic tradition Interviewing over 200 individuals involved in bar and bat mitzvah ceremonies from family members to religious educators to rabbis Patricia Keer Munro presents a candid portrait of the conflicts that often emerge and the negotiations that ensue In the course of her study she charts how this ritual is rife with contradictions it is a private family event and a public community activity and for the child it is both an educational process and a high stakes performance Through detailed observations of Conservative Orthodox Reform and independent congregations in the San Francisco Bay Area Munro draws intriguing broad reaching conclusions about both the current state and likely future of American Judaism In the process she shows not only how American Jews have forged a unique set of bar and bat mitzvah practices but also how these rituals continue to shape a distinctive Jewish American identity

Devotional Sovereignty Caleb Simmons, 2020 Devotional Sovereignty Kingship and Religion in India investigates the shifting conceptualization of sovereignty in the South Indian kingdom of Mysore during the reigns of Tipu Sultan r 1782 1799 and Krishnaraja Wodeyar III r 1799 1868 Tipu Sultan was a Muslim king famous for resisting British dominance until his death Krishnaraja III was a Hindu king who succumbed to British political and administrative control Despite their differences the courts of both kings dealt with the changing political landscape by turning to the religious and mythical past to construct a royal identity for their kings Caleb Simmons explores the ways in which these two kings and their courts modified and adapted pre modern Indian notions of sovereignty and kingship in reaction to British intervention The religious past provided an idiom through which the Mysore courts could articulate their rulers claims to kingship in the region attributing their rule to divine election and employing religious vocabulary in a variety of courtly genres and media Through critical inquiry into the transitional early colonial period this study sheds new light on pre modern and modern India with implications for our understanding of contemporary politics It offers a revisionist history of the accepted narrative in which Tipu Sultan is viewed as a radical Muslim reformer and Krishnaraja III as a powerless British puppet Simmons paints a picture of both rulers in which they work within and from the same understanding of kingship utilizing devotion to Hindu gods goddesses and gurus to perform the duties of the king

Religious Devotion and the Poetics of Reform George Pati, 2019-02-18 The poetry emanating from the bhakti tradition of devotional love in India has been both a religious expression and a form of resistance to hierarchies of caste gender and colonialism Some scholars have read this art form through the lens of resistance and reform but others have responded that imposing an interpretive framework on these poems fails to appreciate their authentic expressions of devotion This book argues that these declarations of love and piety can simultaneously represent efforts towards emancipation at the spiritual political and social level This book through a close study of Na ini 1911 a Malayalam lyric poem as well as other poems authored by Mah kavi Kum ran n 1873 1924 a low caste

Kerala poet demonstrates how n employed a theme of love among humans during the modern period in Kerala that was grounded in the native South Indian bhakti understanding of love of the deity n believed that personal religious freedom comes from devotion to the deity and that love for humans must emanate from love of the deity In showing how devotional religious expression also served as a resistance movement this study provides new perspective on an understudied area of the colonial period Bringing to light an under explored medium in both religious and artistic terms this book will be of great interest to scholars of religious studies Hindu studies and religion and literature as well as academics with an interest in Indian culture

Diagramming Devotion Jeffrey F. Hamburger,2020-09-21 During the European Middle Ages diagrams provided a critical tool of analysis in cosmological and theological debates In addition to drawing relationships among diverse areas of human knowledge and experience diagrams themselves generated such knowledge in the first place In *Diagramming Devotion* Jeffrey F Hamburger examines two monumental works that are diagrammatic to their core a famous set of picture poems of unrivaled complexity by the Carolingian monk Hrabanus Maurus devoted to the praise of the cross and a virtually unknown commentary on Hrabanus s work composed almost five hundred years later by the Dominican friar Berthold of Nuremberg Berthold s profusely illustrated elaboration of Hrabnus translated his predecessor s poems into a series of almost one hundred diagrams By examining Berthold of Nuremberg s transformation of a Carolingian classic Hamburger brings modern and medieval visual culture into dialogue traces important changes in medieval visual culture and introduces new ways of thinking about diagrams as an enduring visual and conceptual model

Christian Cosmopolitanism Felipe Amin Filomeno,2024-11-08 Investigates whether and how deliberative dialogues about immigration in Christian congregations can perform a cosmopolitan role

Shared Devotion, Shared Food Jon Keune,2021 This book is about the deceptively simple question when Hindu devotional or bhakti traditions welcomed marginalized people women low castes and Dalits were they promoting social equality This the modern formulation of the bhakti caste question It is what Dalit leader B R Ambedkar had in mind

when he concluded that the saints promoted spiritual equality but did not transform society While taking Ambedkar's judgment seriously when viewed in the context of intellectual history and social practice the bhakti caste question is more complex This book dives deeply in Marathi sources to explore how one tradition in western India worked out the relationship between bhakti and caste on its own terms Food and eating together were central to this As stories about saints and food changed while moving across manuscripts theatrical plays and films the bhakti caste relationship went from being a strategically ambiguous riddle to a question that expected and received answers Shared Devotion Shared Food demonstrates the value of critical commensality to understand how people carefully negotiate their ethical ideals with social practices Food's capacity to symbolize many things made it made an ideal site for debating bhakti's implications about caste differences In the Varkar tradition strategically deployed ambiguity and the resonating of stories across media over time developed an ideology of inclusive difference not social equality in the modern sense but an alternative holistic view of society
