D. Payne, 2025-09-30 When seeking to understand evangelism it can be difficult to know where to begin due to the wealth of written material available on the topic This one stop textbook offers a comprehensive introduction to evangelism from an evangelical perspective It draws from the diverse and vast literature on the topic to help readers share the gospel at home and throughout the world Understanding Evangelism emerges from the author's experiences as a pastor missionary evangelist and professor of evangelism and from his expertise as a scholar in the field The book provides the necessary biblical knowledge cultural awareness and practical insights for every Christ follower to participate in the privilege of partnering with the Spirit in the world The first part of the book covers contemporary definitions of evangelism the global status of world evangelization and personal motives and ethics for evangelism The second part addresses its biblical and theological foundations while the third part offers a historical overview The fourth part focuses on cultural contexts and effective communication of the gospel The book concludes with contemporary issues that offer practical guidance in the ministry of evangelism Pedagogical tools including case studies sidebars figures and reflection questions help students retain information *Hijacked!* Clarence Washington Sr., 2025-05-01 ABOUT THE BOOK The first four volumes of *Hijacked* How Dr King's Dream Became a Nightmare explores the goals that must be achieved and the methods that must be used to fix what is wrong with America However these things have been hijacked by various forces including some super natural spiritual forces and caused the once unthinkable devastating nightmare in America which we are now experiencing These dark forces must be dealt with through an effective super natural spiritual warfare prayer strategy Volume 5 The Demonic explores everything that We the People need to do this and bring America back from the brink of total decline and destruction And Volume 6 explores the great mercy extended to America on November 5 2024 by the God orchestrated landslide victory of Donald Trump instead of giving us what we deserved because of the wickedness of America which was Kamala Harris But instead God looked pass our faults and saw our needs However the church must initiate a nationwide revival to accompany the reformation promised by Donald Trump so that the reformation remains for more than just his presidency Simply put America is at the crossroads of revolution and civil war or reformation and revival in other words the crossroads of The End or The Last Chance God orchestrated the reformation through the landslide victory of Donald Trump and a conservative majority US Senate and House Now it's on the church to conduct a nationwide revival to accompany the reformation because both are needed to feed on and maintain each other as comprehensively explored in volume 6 Now it's on the church to conduct a nationwide revival to accompany the reformation People Sharing Jesus Thomas Nelson Publishers, 1995 *Sharing Your Faith with Friends*

Anglican Evangelists Martyn Snow, 2019-06-03 For twenty years the Archbishops' College of Evangelists has affirmed and supported Anglican evangelists This book marking the College's twentieth anniversary relaunches the College with a clear focus on identifying and training new evangelists This book then marks a significant transition The thirteen authors work in a range of contexts and come from different traditions within the church Their focus in this book is less on the nature of evangelism and more on the calling and gifting of the evangelist In different ways they reflect on the questions what is an evangelist How should the church identify and affirm evangelists How do we train evangelists How do we enable evangelists to equip all God's people to witness to the kingdom of God The thirteen contributors are all practitioners and this is reflected in their range of experience and writing styles Some take a deeply biblical and theological approach Others reflect on their personal journey and learning Others offer practical insights and a helpful reframing of the initial questions All of them are fervent in their plea to the church to recognise the unique calling and gifting of the evangelist and reflect on how this gift is received and passed on within the church
