GENDER & THEATRICALITY IN POPULAR MUSIC

PHILIP AUSLANDER

Performing Glam Rock Gender And Theatricality In Popular Music

Stan Hawkins

Performing Glam Rock Gender And Theatricality In Popular Music:

Performing Glam Rock Philip Auslander, 2006 Explores the many ways glam rock paved the way for new explorations of identity in terms of gender sexuality and performance *The Popular Music Studies Reader* Andy Bennett, Barry Shank, Jason Toynbee, 2006 Maps the changing nature of popular music and considers how popular music studies has expanded and developed to deal with these changes The book discusses the participation of women in the industry the changing role of gender and sexuality in popular music and the role of technologies in production and distribution *Global Glam and Popular Music* Ian Chapman, Henry Johnson, 2016-02-12 This book is the first to explore style and spectacle in glam popular music performance from the 1970s to the present day and from an international perspective Focus is given to a number of representative artists bands and movements as well as national regional and cultural contexts from around the globe Approaching glam music performance and style broadly and using the glam glitter rock genre of the early 1970s as a foundation for case studies and comparisons the volume engages with subjects that help in defining the glam phenomenon in its many manifestations and contexts Glam rock in its original term defining inception had its birth in the UK in 1970 71 and featured at its forefront acts such as David Bowie T Rex Slade and Roxy Music Termed glitter rock in the US stateside artists included Alice Cooper Suzi Quatro The New York Dolls and Kiss In a global context glam is represented in many other cultures where the influences of early glam rock can be seen clearly In this book glam exists at the intersections of glam rock and other styles e g punk metal disco goth Its performers are characterized by their flamboyant and theatrical appearance clothes costumes makeup hairstyles they often challenge gender stereotypes and sexuality androgyny and they create spectacle in popular music performance fandom and fashion The essays in this collection comprise theoretically informed contributions that address the diversity of the world's popular music via artists bands and movements with special attention given to the ways glam has been influential not only as a music genre but also in fashion design and other visual culture

The Ashgate Research Companion to Popular Musicology Derek B. Scott, 2016-03-23 The research presented in this volume is very recent and the general approach is that of rethinking popular musicology its purpose its aims and its methods Contributors to the volume were asked to write something original and at the same time to provide an instructive example of a particular way of working and thinking The essays have been written with a view to helping graduate students with research methodology and the application of relevant theoretical models The team of contributors is an exceptionally strong one it contains many of the pre eminent academic figures involved in popular musicological research and there is a spread of European American Asian and Australasian scholars The volume covers seven main themes Film Video and Multimedia Technology and Studio Production Gender and Sexuality Identity and Ethnicity Performance and Gesture Reception and Scenes and The Music Industry and Globalization The Ashgate Research Companion is designed to offer scholars and graduate students a comprehensive and authoritative state of the art review of current research in a particular area The

companion's editor brings together a team of respected and experienced experts to write chapters on the key issues in their speciality providing a comprehensive reference to the field

The Routledge Research Companion to Popular Music and Gender Stan Hawkins, 2017-03-16 Why is gender inseparable from pop songs? What can gender representations in musical performances mean? Why are there strong links between gender, sexuality and popular music? The sound of the voice, the mix, the arrangement, the lyrics and images all link our impressions of gender to music. Numerous scholars writing about gender in popular music to date are concerned with the music industry's impact on fans and how tastes and preferences become associated with gender. This is the first collection of its kind to develop and present new theories and methods in the analysis of popular music and gender. The contributors are drawn from a range of disciplines including musicology, sociology, anthropology, gender studies, philosophy and media studies, providing new reference points for studies in this interdisciplinary field. Stan Hawkins's introduction sets out to situate a variety of debates that prompts ways of thinking and working where the focus falls primarily on gender roles. Amongst the innovative approaches taken up in this collection are queer performativity, gender theory, gay and lesbian agency, the female pop celebrity, masculinities, transculturalism, queering, transgenderism and androgyny. This Research Companion is required reading for scholars and teachers of popular music whatever their disciplinary background.

"She's So Fine: Reflections on Whiteness, Femininity, Adolescence and Class in 1960s Music" Laurie Stras, 2017-07-05 She's So Fine explores the music reception and cultural significance of 1960s girl singers and girl groups in the US and the UK. Using approaches from the fields of musicology, women's studies, film and media studies and cultural studies, this volume is the first interdisciplinary work to link close musical readings with rigorous cultural analysis in the treatment of artists such as Martha and the Vandellas, The Crystals, The Blossoms, Brenda Lee, Dusty Springfield, Lulu, Tina Turner and Marianne Faithfull. Currently available studies of 1960s girl groups and girl singers fall into one of three categories: industry-generated accounts of the music's production and sales; sociological commentaries or omnibus chronologies/discographies. She's So Fine, by contrast, focuses on clearly defined themes via case studies of selected artists. Within this analytical rather than historically comprehensive framework, this book presents new research and original observations on the 60s girl group/girl singer phenomenon.

The Sweet in the 1970s Darren Johnson, 2024-10-22 The Sweet's look, sound and attitude became an instantly recognisable hallmark of the early 1970s glam rock era. But the band did not start the 1970s as a glam band and certainly didn't finish as one. This book charts the band's journey through the decade that made them a household name from their initial rise as purveyors of manufactured bubblegum pop to their metamorphosis into harder-edged glam rock icons. The Sweet in the 1970s takes a look at both their successes and their struggles in their quest to be recognised as a serious rock act in the latter part of the decade, once the sparkle and glitter of glam had begun to pale. The decade saw them score fifteen UK Top 40 singles, release seven studio albums and tour several continents. Unlike many bands of the era, personnel changes were few. The Sweet began the 1970s with the arrival of new

guitarist Andy Scott and ended the decade with the departure of frontman Brian Connolly followed by an ultimately ill fated attempt to continue as a three piece This book is an unashamed celebration of the music of the Sweet and charts the lasting impact they had on many of the bands that followed them After acquiring a second hand copy of Sweet s Give Us A Wink album from Action Records in Preston as a teenager in the early 1980s Darren has been a dedicated fan of the band A former politician he has written for a number of UK national newspapers but after stepping away from politics he has been able to devote more time to his first love music A keen follower of both rock and folk he maintains a popular music blog Darren s Music Blog and has reviewed albums and gigs for a variety of publications He lives in Hastings East Sussex UK *British Progressive Pop 1970-1980* Andy Bennett,2020-02-06 Positioned between the psychedelic and counter cultural music of the late 1960s and the punk and new wave styles of the late 1970s early 1970s British popular music is often overlooked in pop music studies of the late 20th century but it was in fact highly diverse with many artists displaying an eclecticism and flair for musical experimentation Progressive pop artists such as Roxy Music David Bowie the early Queen the Electric Light Orchestra 10cc and Steve Harley Cockney Rebel successfully straddled the album and singles markets producing music that often drew on a variety of different musical styles and traditions Similarly such artists often set new benchmarks for songwriting and production utilizing the full potential of the rapidly expanding studio technology of the era to produce albums of highly diverse material featuring in some cases special studio crafted effects and soundscapes that remain unique to this day This book considers the significance of British progressive pop in the early 1970s as a period during which the boundaries between pop and rock were periodically relaxed providing a platform for musical creativity less confined by genre and branding **Historical Dictionary of Popular Music** Norman Abjorensen,2017-05-25 This book seeks to trace the rise of popular music identify its key figures and track the origins and development of its multiple genres and styles all the while seeking to establish historical context It is fundamentally a ready reference guide to the broad field of popular music over the past two centuries It has become a truism that popular music so pervasive in the modern world constitutes a soundtrack to our lives a constant though changing presence as we cross thresholds and grow from children to teenagers to adults But it has become more than a soundtrack it has become a narrative Not just an accompaniment to our daily lives but incorporating our lives our sense of identity our lived experiences into it We have become part of the music just as the music has become part of us The Historical Dictionary of Popular Music contains a chronology an introduction an appendix and an extensive bibliography The dictionary section has over 1000 cross referenced entries on major figures across genres definitions of genres technical innovations and surveys of countries and regions This book is an excellent resource for students researchers and anyone wanting to know more about popular music *The Bloomsbury Handbook of Popular Music and Youth Culture* Andy Bennett,2022-12-29 The Bloomsbury Handbook of Popular Music and Youth Culture provides a comprehensive and fully up to date overview of key themes and debates relating to the academic study of popular music

and youth culture While this is a highly popular and rapidly expanding field of research there currently exists no single source reference book for those interested in this topic The handbook is comprised of 32 original chapters written by leading authors in the field of popular music and youth culture and covers a range of topics including theory method historical perspectives genre audience media globalization ageing and generation

Performing Glam Rock Gender And Theatricality In Popular Music Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Performing Glam Rock Gender And Theatricality In Popular Music free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Performing Glam Rock Gender And Theatricality In Popular Music free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file

type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Performing Glam Rock Gender And Theatricality In Popular Music free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Performing Glam Rock Gender And Theatricality In Popular Music. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Performing Glam Rock Gender And Theatricality In Popular Music any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Performing Glam Rock Gender And Theatricality In Popular Music Books

1. Where can I buy Performing Glam Rock Gender And Theatricality In Popular Music books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
