Abstract

In this article, the representation of male and female musicians is compared between three major genres of music performance and across three geographical regions: the United Kingdom, Europe, and the United States. Relevant data of artists from 40 world-class orchestras, 40 competition brass bands, and 40 top-selling recorded popular music groups were obtained from the websites of the respective organizations and from other authenticated sources. Information collected included the instruments played by each artist, the artist's status in the ensemble (e.g., principal/section leader/rank and file player). The membership of each instrumental section was then analyzed for balance of sex representation. Overall, across all three genres, male musicians considerably outnumbered females, but this imbalance was moderated by genre and regional differences. The lowest level of imbalance of sexes was observed in orchestras, with males occupying 60% of orchestral chairs compared with females 40%, but principal chairs/section leaders were found to be predominantly male. In brass bands, males predominated by a ratio of 76% males to 24% females, and section leader chairs were almost invariably occupied by males. In the genre of popular music, male performers massively outnumbered females by 85%–15% in every aspect of performers and group leader roles by 90% to 10%. Possible causes of these imbalances are explored for each genre. In all three genres representation of males and females was found to be closely related to the instruments played, for example, many more females than males were harpists, and many more males were trombonists and tuba players than were females. Reasons for these differences are explored with particular reference to differential patterns of education and musical training and to underlying historical and sociological issues.

civilization personal sexual familial religious and political Those who wait sadly for a spouse's death must sometimes wonder if the show of fidelity is necessary and whom it helps Most books on Alzheimer's focus on those who have it as opposed to those who care for someone with it This book offers a powerful and searching meditation on the extent to which someone married to Alzheimer's should be expected to suffer loneliness The diagnosis of dementia should not amount to a prohibition of sexual activity for both spouses Portmann encourages readers to risk honesty in assessing the moral dilemma using high profile cases such as Nancy Reagan and Justice Sandra Day O'Connor to illustrate the enormity of the problem Ideal for classes considering the ethics of aging and sexuality Pornographic Art and the Aesthetics of Pornography H.

Damon R. Young, 2018-10-04 Beginning in the late 1950s representations of and narratives about sex proliferated on French and U.S. movie screens Cinema began to display forms of sexuality that were no longer strictly associated with domesticity nor limited to heterosexual relations between loving couples Women's bodies and queer sexualities became intensely charged figures of political contestation aspiration and allegory central to new ways of imagining sexuality and to new liberal understandings of individual freedom and social responsibility In *Making Sex Public* Damon R. Young tracks the emergence of two conflicting narratives on the one hand a new model of sex as harmoniously integrated into civic existence on the other an idea of women's and queer sexuality as corrosive to the very fabric of social life Taking a transatlantic perspective from the late 50s through the present from *And God Created Woman* and *Barbarella* to *Cruising* and *Shortbus* Young argues that cinema participated in the transformation of the sexual subject while showing how women and queers were both agents and objects of that transformation Thank God for Sex Pastor Frantz Lamour, 2010-06 I know for sure that you like sex don't you But have you ever thought about thanking God If not you are not alone Many people apparently become lovers of sexual pleasures rather than lovers of God They believe that God should not be part of sexual discussion Well the opposite is true Everything that God created is to be received with thanksgiving included sex If you wish to experience full satisfaction when making love you must acknowledge God to know His mind on the subject God alone is qualified to show you the best way to enjoy the blessed gift of sex Do you want to know when God wants you to have sex If you wish to get full benefit from sexual intercourse you must read this book You will be enlightened greatly on many facets of sex What is sex to you Do you know the three P's of sex Do you know why your spouse wants to have sex The answers to those questions and more will be found in this marvelous book Frantz Lamour is founder and senior pastor of Holy Church of Grace a ministry dedicated to preaching the Gospel of Jesus Christ to all souls and to helping believers to maintain a loving relationship with both God and man He holds a Bachelor degree in pastoral ministries from Hobe Sound Bible College He and his wife Djenny live in Royal

Palm Beach Florida and are the parents of two children Pastor teacher Frantz Lamour is the author of many books including The Lord s Prayer An Undiscovered Treasure La Seconde Vie In French Holiness God s Plan for His People In Creole Jesus is Risen and A Dream Marriage Above all he is a slave of Jesus Christ **Making Peace with Porn** Allison Vivas,2013-03-15

One conservative estimate says that 100 million people mostly men look at porn online every day Yet for many women the topic of pornography sparks deep feelings of discomfort and insecurity which can lead to worries or fights about porn s place in long term relationships Porn is often seen as a shameful secret but imagine if you could discuss it with your partner as openly as you discuss the rest of your relationship Making Peace with Porn author Allison Vivas is a wife and mother and also happens to run a pornography production company In a relatable good humored tone she incorporates personal stories clinical statistics and the history of adult entertainment to explain why porn might not be such a bad thing after all If you feel uncomfortable with this topic or just want to know more Making Peace with Porn is a great place to start a positive discussion Most books about pornography are negative and fear based but this book takes a brave dare we say full frontal look at why pornography is a regular part of many men s lives and it will help you find a way to accept that part of the man you love
