

Lesson Plan: Teaching the Second Conditional

1. Presentation (15–20 minutes)

Context Setting:

- - **Draw a picture** of yourself on the board with thought bubbles showing lots of money, a sports car, a big house, and a world map.

Elicit:

- - **Ask students:** "What am I thinking about?"

Introduce Target Language:

- - **Model the sentence:** "If I had a lot of money, I would buy a sports car and a big house."
- - **Drill** pronunciation: choral repetition and individual drilling.

Boardwork the rest

- - Positive: If I had a lot of money, I would buy Chanel perfume.
- - Negative: If I had a lot of money, I wouldn't go to work.
- - Question: What would you do if you had a lot of money?
- - Short answer: I would buy Chanel perfume.

Concept Checking Questions (CCQs):

- - Do I have a lot of money? (No.)
- - Am I talking about the Imaginary or the Reality? In the past, present, or future?
- - What tense do we use after "if"? (Past simple.)

Highlight Form:

- - If + past simple, would + base verb

Dr.Humayun Bakht,2022-07-14 COMPLETE MODULE GUIDE WITH TEACHING PLAN AND COURSEWORK S

PROGRAMMING IN C 10 Image-Based Lesson Plans For the English Language Classroom Nik Peachey, This book is a collection of lesson plans that I developed between September and December of 2018 The lesson plans were inspired by the work I have been doing on developing empathy and the creative use of images to help activate students sense of empathy I ve had a long love of using images in the language classroom and see them as a key ingredient in sparking students imagination as well as supplying a window into a much wider and often very different world I have always found that images have the power get students speaking and particularly images of people can stimulate their curiosity and help to produce a wide range of questions The tasks and activities in these lesson plans should also help to develop your students vocabulary and fluency Each of the lesson plans includes a digital presentation that you can use with a data projector or you can share with students so that they can access the materials on their own devices This book contains the following ten plans 1 A Girl by the Window 2 The Crime 3 Dreams and Ambitions 4 Friendship and Feet 5 The Bear in Bed 6 The Cabin 7 The Girl and the Tiger 8 The Path 9 The Statue 10 The Window I hope you and your students enjoy these materials and that they help to make students a little more tolerant and understanding of the world around them *TEFL Lesson Plans For Dummies* Michelle M.

Maxom,2014-10-06 Instant English lessons learn in a flash TEFL Lesson Plans For Dummies is a ready made course manual for TEFL teachers With fully fleshed out lessons activities tools games and resources this book contains what is essentially an instant TEFL course Use the ready made materials directly in the classroom or follow along with the detailed planning models and frameworks to grow your skills while designing your own lesson plans more effectively The book includes access to online materials you can print for use in class and the lessons can be used with or without the aid of technology in the classroom You ll find expert advice on teaching all age levels and class sizes including ideas for taking the lessons out into the world Many EFL ESL teachers have little or no experience and may have only been in the profession for a limited time TEFL Lesson Plans For Dummies saves the day with materials ideas and activities that can be implemented quickly and easily making lessons more productive and fun From quick exercises to larger scale plans this book contains hundreds of ways to help your students become more proficient English speakers Implement expertly designed planning models with step by step advice Teach lessons designed for students of all ages and classes of all sizes Integrate technology when it s available or do without it when it s not Move your lessons outside of the classroom for deeper immersion Whether you re taking a TEFL training course about to head out on your first job or a veteran of the field this book provides you with the tools you will need to get things moving in class If you re looking to cut down on planning time without sacrificing student engagement TEFL Lesson Plans For Dummies is the classroom ready resource you need **Assessing Language Teachers' Professional**

Skills and Knowledge Rosemary Wilson, Monica Poulter, 2015-01-31 The growth in English language teaching worldwide and the related increase in teacher training programmes of all kinds highlight the need for greater accountability in the assessment of teachers The need for formal summative assessment has taken on greater importance in training programmes and requires procedures which do not always sit easily with the development process while transparency of assessment procedures is also increasingly demanded by the candidates themselves This edited volume discusses key issues in assessing language teachers professional skills and knowledge and provides case study illustrations of how teacher knowledge and teaching skills are assessed at pre service and in service levels within the framework of the Cambridge English Teaching Qualifications The volume provides discussion of ways in which the changing nature of English language teaching has impacted on teacher education and assessment examples of specific assessment procedures for both teaching knowledge and practical classroom skills accounts of the ways in which the Cambridge English Teaching Qualifications have been integrated into and adapted for local contexts This is the first volume of its kind wholly dedicated to language teacher assessment and as such will be of interest to language teachers and teacher educators as well as to researchers and postgraduate students

Second Conditional Lesson Plan Introduction

In today's digital age, the availability of Second Conditional Lesson Plan books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Second Conditional Lesson Plan books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Second Conditional Lesson Plan books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Second Conditional Lesson Plan versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Second Conditional Lesson Plan books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Second Conditional Lesson Plan books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Second Conditional Lesson Plan books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from

the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Second Conditional Lesson Plan books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Second Conditional Lesson Plan books and manuals for download and embark on your journey of knowledge?
