Career Theory and Practice Jane L. Swanson, Nadya A. Fouad, 2014-07-11 Designed to help readers apply career development theories to their work with career counseling clients Career Theory and Practice Learning Through Case Studies links major career development and choice theories to a fictional case client Authors Jane L Swanson and Nadya A Fouad use this case study approach throughout the book to provide an integrative thread that illustrates similarities and differences between the featured theories The Third Edition has been updated and substantially expanded to be a primary text for a graduate course in Career Development and Counseling Jane L Swanson and Nadya A Fouad do a masterful job of bringing theory to life through the lived stories of actual career clients I very much appreciated the book s format the examples the discussion questions and the richly developed case examples Mary J Heppner University of Missouri Columbia commenting on the First Edition The case study method is very effective Students can see firsthand how the theories are interpreted and applied Often they get a better understanding of their own lives and career history Anne Zachmeyer Rochester Institute of Technology Theory discussion is complete and usable for students the quality of the text is strong Meredith J Drew Centenary College

*Making Disability Rights Real in Southeast Asia* Derrick L. Cogburn, Tina Kempin Reuter, 2017-03-21 This book evaluates the national implementation of the United Nations Convention on the Rights of Persons with Disabilities CRPD in ASEAN Working with country specific research teams the contributors compiled detailed case studies of CRPD implementation in each country in ASEAN This book presents a detailed overview of the problem the relevant literature and the conceptual framework and then it explores the

implementation of the CRPD in each of the ten countries in Southeast Asia Details include the factors that influenced each country to ratify the CRPD the focal point structure of implementation the independent mechanism established to monitor the implementation and the civil society organizations involved This book also evaluates the implications of CRPD implementation for human rights and development in ASEAN including the degree of institutionalized support for persons with disabilities the development objectives of the CRPD against the strategic objectives of the ASEAN economic community and the broader ASEAN community and the way these developments compare with those in other countries and regions Working with country specific research teams the editors compiled detailed case studies of CRPD implementation on each country in ASEAN This book presents a detailed overview of the problem and the relevant literature The contributors also offer conclusions on the research and national and ASEAN level recommendations for moving forward
