Universal Healing Manual John James,2013-07-29 UNIVERSAL HEALING is an Ancient Angelic Distance Energy Healing System Mainly For Internal Self Healing And may be Used To Give hands on Healing To Other People You channel white matter And different types of matter In this Universal Healing you have control over this energy flow It may be possible to slow this healing it is not possible to stop it completely The 1st level Attunment After this attunement for the first three months you are not alone call and I will send you free healing and advice about universal healing by text or email The 1st level attunment will connect you to source and allow a flow of light through you to take place Once you are attuned you will have control over your own healing energy flow This healing is on all the time even if you are incapacitated This energy will work constantly to regenerate your bodies physical systems This flow at first will be felt then in time you will not be a where

of its flow you will be used to it when you have a pain in your body instead of trying to ignore it think about it ask for the pain to stop the pain will decrease Pain is a way the body lets you know there is a problem area you need to work on sometimes long term problems may take you time to find within you what you need to work on to clear it Think about the area and it will receive healing The 2nd level Attunement On this level you will be given tools of empowerment These are diagrams of energy tools Most of these special abilities you already have and are unaware of These tools will in time enhance the gifts within you Each person has their own abilities as you use these diagrams within your body to heal your internal body systems you will improve the manifestation part of your brain This is the part of your brain that manifests your every day life that allows you to walk through this playground I call life path Of course this process is not easy but it's fun The Master Attunement This is the level you will be taught how to do the attunements This is a simple process to teach you how to pass on this healing system to other people the power within you has increased The ability to regenerate tissue within you has increased now your internal BA and KA channels are starting to increase in strength and are used to heal your internal body systems with more efficiency Channels the main ones are the meridians the KA channels and the fine BA channels these flow through the immune system and through the minute cell matrix systems this is where most of the problems arise when the body starts to break down In a domino effect through out the body's physical Holographic matrix All this is irrelevant because you don't need to know all this to use this healing system IE if you drive a car you only need to know how to drive it There is no need to know how to fix it for this you call in an expert mechanic It's the same for universal healing to fix your self call in the angels and they will fix you Most of your self healing and expansion and learning has now taken place from this point on you will receive information and guidance from me as an equal The 2nd phase level This is an expansion of your physical and emotional awareness you will feel peace throughout your being this expansion may be felt by every one around you they may see the difference in you as you gain more control over the environment around you The Grand master Attunement This attunement will in time dispel completely the ego's control over you bringing you into balance Allowing the I am Presence to shine through Your peaceful light may shine around you for about 200 miles this is your aura

Reiki Eileen Curteis, 2011-11-16 After eighteen years as a practitioner and teacher of Reiki Sister Eileen has been astonished by the sheer number of people who have

continued to stream through the door People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it In her manual Eileen brings with her a core community of Reiki practitioners and teachers from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity wonder and beauty of God's universal gift for our time The healing stories are too numerous to count but she does include specific testimonials within her manual that speak for the thousands of others who have been healed through the doorway of Reiki In this way Eileen's Advanced and Master Level Training Manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner and teacher Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen's Reiki training manual lies in her ability to weave the Christ-conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of hands on healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are planted deep in ancient history In the Old Testament Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes Its worldwide impact can no longer go unnoticed About the Author Eileen Curteis a Sister of Saint Ann is a Reiki Master teacher and practitioner who has taught and treated thousands of people over the last eighteen years at Queenswood a former retreat and spirituality centre in Victoria BC Preceding this Eileen was a teacher principal and educator for twenty seven years Her greatest passion lies in her healing ministry and in the literary arts She has authored eleven books to date and through the years has become an accomplished poet artist writer as well as being a producer of six CDs and three films
