Queer Injustice The Criminalization Of Lgbt People In The United States:

Queer (In)Justice Joey L. Mogul,Andrea J. Ritchie,Kay Whitlock,2011-02-15 The first comprehensive work to turn a queer eye on the criminal justice system providing an eye opening study of LGBTQ rights and equality Drawing on years of research activism and legal advocacy Queer In Justice is a searing examination of queer experiences as suspects defendants prisoners and survivors of crime The authors unpack queer criminal archetypes from gleeful gay killers and lethal lesbians to disease spreaders and deceptive gender benders to illustrate the punishment of queer expression regardless of whether a crime was ever committed Tracing stories from the streets to the bench to behind prison bars the authors prove that the policing of sex and gender both bolsters and reinforces racial and gender inequalities An eye opening study of LGBTQ rights and equality Queer In Justice illuminates and challenges the many ways in which queer lives are criminalized policed and punished

The (Mis)Representation of Queer Lives in True Crime Abbie E. Goldberg,Danielle C. Slakoff,Carrie L. Buist,2023-08-25 This book examines the representation and misrepresentation of queer people in true crime addressing their status as both victims and perpetrators in actual crime as well as how the media portrays them The chapters apply an intersectional perspective in examining criminal cases involving LGBTQ people as well as the true crime media content surrounding the cases The book illuminates how sexual orientation gender race and other social locations impact the treatment of queer people in the criminal legal system and the mass media Each chapter describes one or more high profile criminal cases involving queer people e g the murders of Brandon Teena and Kitty Genovese serial killer Aileen Wuornos the Pulse nightclub mass shooting The authors examine how the cases are portrayed in the media via news films podcasts documentaries books social media and more Each chapter discusses not only what is visible or emphasized by the media but also what is invisible in the accounting or societal focus surrounding the case Lesser known but similar cases are used in the book to call attention to how race gender sexuality sexual orientation social class and or other features influence the dominant narrative surrounding these cases Each chapter addresses teachable moments from each case and its coverage leaving readers with several considerations to take with them into the future The book also provides media resources and supplemental materials so that curious readers including scholars students content creators and advocates can examine the cases and media content further The book will appeal to scholars and students of criminology psychology sociology law media studies sexuality studies and cultural studies and people with an interest in true crime

Criminalized Lives Alexander McClelland,2024-06-14 Criminalized Lives profiles people charged in Canada with the crime of not disclosing their HIV positive status to sex partners Examining how criminalization disproportionately punishes poor Black and Indigenous people gay men and women in Canada Alexander McClelland investigates the consequences of criminalizing illness which results in people being subjected to state violence rather than treated with care

Queer Necropolitics Jin Haritaworn,Adi Kuntsman,Silvia Posocco,2014-02-03 This book comes at a time when the intrinsic and self evident value of queer rights and

protections from gay marriage to hate crimes is increasingly put in question It assembles writings that explore the new queer vitalities within their wider context of structural violence and neglect Moving between diverse geopolitical contexts the US and the UK Guatemala and Palestine the Philippines Iran and Israel the chapters in this volume interrogate claims to queerness in the face s of death both spectacular and everyday Queer Necropolitics mobilises the concept of necropolitics in order to illuminate everyday death worlds from more expected sites such as war torture or imperial invasion to the mundane and normalised violence of racism and gender normativity the market and the prison industrial complex Contributors here interrogate the distinction between valuable and pathological lives by attending to the symbiotic co constitution of queer subjects folded into life and queerly abjected racialised populations marked for death Drawing on diverse yet complementary methodologies including textual and visual analysis ethnography and historiography the authors argue that the distinction between war and peace dissolves in the face of the banality of death in the zones of abandonment that regularly accompany contemporary democratic regimes The book will appeal to activist scholars and students from various social sciences and humanities particularly those across the fields of law cultural and media studies gender sexuality and intersectionality studies race and conflict studies as well as those studying nationalism colonialism prisons and war It should be read by all those trying to make sense of the contradictions inherent in regimes of rights citizenship and diversity
