**New Men in Trollope's Novels** Margaret Markwick,2017-11-28 New Men in Trollope s Novels challenges the popular construction of Victorian men as patriarchal despots and suggests that hands on fatherhood may have been a nineteenth century norm Beginning with an evaluation of the evidence for cultural determinations of masculinity during Trollope s times the author sets the stage with a discussion of the religious philosophical and educational influences that informed the evolution of Trollope s personal views of masculinity as he grew from boyhood into later manhood Her treatment of his novels drawing on a wide selection from across the oeuvre shows that sensitive examination of Trollope s texts discovers him advancing a startlingly modern model of manhood under a veneer of conformity Trollope s independent views on child rearing education courtship marriage parenthood and gay men are also discussed within the context of Victorian culture in this witty original and immensely knowledgeable study of Victorian masculinity      **Quiet Whispers from God's Heart for Men** Steve Farrar,1999 In this unique volume bestselling author Steve Farrar offers lavish encouragement and solid instruction on becoming a man after God s own heart Full color      **The Man with a Shadow** George Manville Fenn,2020-07-18 Reproduction of the original The Man with a Shadow by George Manville Fenn
