The Principal's Companion Pam Robbins, Harvey B. Alvy, 2003 This book adds extremely relevant knowledge and skills for innovative reformers and for more traditional leaders alike It provides a solid set of interesting and shrewd suggestions that can be used immediately by practising principals From the Foreword by Kent D Peterson Professor Department of Educational Administration University of Wisconsin Madison Despite the administrative leadership training that most principals receive in university courses their most useful learning doesn't occur until they are on the job And the new knowledge much of it the result of trial and error success and failure is gained in relative isolation simply because there is no one else at that responsibility level within the school Pam Robbins an educational consultant and Harvey B Alvy a practicing principal offer a well organized interactive manual for the role of principal They have worked with hundreds of schools educators and other organizations around the world collecting data that form the basis for The Principal's Companion This easy to read book combines the most helpful tried and true strategies with the most relevant leadership research and theory The authors discuss creative leadership and necessary skills the wide variety of roles played by principals how to create a learning community personal and professional issues and much more Quotes from practicing principals are included throughout the book and readers are encouraged to jot down their own reflections about each chapter theme The Principal's Companion is a rare opportunity to collaborate with other principals an excellent professional resource that will be referred to again and again Ideal for practicing and aspiring principals it is also highly useful as a text for administration courses

On Human Potential Sandra I. Kay, 2019-04-16 According to experts in educational measurement current and past performance remains the best single predictor of future performance This book seeks to maximize individual and institutional efforts to support students optimal development specifically their talents The Talent Record introduced a common language cataloging and recording levels of talent achieved thus far on a Talent Profile page Communicating accomplishments in a common language across talent fields unites the ever changing team of individuals associated with a child's development and advances meaningful educational practice Schooltalk Mica Pollock, 2017-02-07 An essential guide to transforming the quotidian communications that feed inequality in our schools from the award winning editor of Everyday Antiracism Words matter Every day in schools language is used whether in the classroom in a student teacher meeting or by principals guidance counselors or other school professionals implying intentionally or not that some subset of students have little potential As a result countless students underachieve others become disengaged and ultimately we all lose Mica Pollock editor of Everyday Antiracism the progressive teacher's must have resource now turns to what it takes for those working in schools to match their speech to their values giving all students an equal opportunity to thrive By juxtaposing common scenarios with useful exercises concrete actions and resources Schooltalk describes how the devil is in the oft dismissed details the tossed off remark to a student or parent about the community in which she lives the way groups based on race

ability and income are discussed in faculty meetings about test scores and data the assumptions and communication breakdowns between counselors teachers and other staff that cause kids to fall needlessly through the cracks or the deflating comment to a young person about her college or career prospects Schooltalk will empower educators of every ilk revealing to them an incredibly effective tool at their disposal to support the success of all students every day their words

Brain-Friendly Study Strategies, Grades 2-8 Amy Schwed, Janice Melichar-Utter, 2007-12-13 Presents creative research based study strategies covering all content areas and tailored to elementary and middle school students individual learning styles including auditory visual and kinesthetic modalities New Developments in Pupil Report Cards ... National Education Association of the United States. Department of superintendence & research division, 1934
