Queer Italy Queer Italy:

Queer Italy Miguel Malagreca, Miguel Andrés Malagreca, 2007 Queer Italy is the first multi methodological inquiry into the historical political and representational contexts behind the current plea for civil unions that queers advocate in Italy Concerned with the links between identity subjectivity and sexuality in Italy this book opens Italian studies to previously neglected discussion of queer and migrant subjectivities The author applies Lacanian film analysis and auto ethnographic passages to question the uses of queer politics in Italy Accessible and comprehensive this is an ideal text for undergraduate and graduate courses on Italian culture cultural studies and film studies *Performing Place in French and Italian Queer Documentary Film* Oliver Brett, 2018-10-11 This book explores the space of queer documentary through the modernist optic of Marcel Proust's lieu factice artificial place a perspective that problematizes the location of place in a post postmodern world with a dispersed sense of the real The practice of queer documentary in France and Italy from the beginning of the new millennium onwards is seen to re write the coherence of place through a range of emerging queer realities Proposing the post queer as a way of contending with the spatial dynamics of these contexts analysis of key texts positions place as mourned conceded and intersectional The performance of place as agency is considered through the notional film the radical archive of documentary the enactment of politics queer indeterminacy and a phenomenology of the object the frame and queer mobility The central themes of family gender dis location in visibility and re presentation question blind investment in the integrity of being emplaced **Italian Masculinity as Queer Melodrama** John Champagne, 2015-02-18 Offering queer analyses of paintings by Caravaggio and Puccini and films by Zepete Amelio and Grimaldi Champagne argues that Italian masculinity has often been articulated through melodrama Wide in scope and multidisciplinary in approach this much needed study shows the vital role of affect for both Italian history and masculinity studies *Reading and Writing Italian Homosexuality* Derek Duncan, 2006 Derek Duncan's timely study is the first book in English to examine constructions of male homosexuality in Italian literature In admirably clear and elegant prose Duncan analyzes texts ranging from the 1890s through the 1990s He brings canonical authors like D Annunzio and Pasolini together with under appreciated writers like Comisso and also looks at less conventionally literary genres Duncan takes on the thorny theoretical issues surrounding questions of gay identity and also provides a sound historical context for his discussion of how Italian narrative sheds light on Italian homosexuality and on the broader issues attending contemporary sexuality including complicating factors such as race While the early texts considered were produced at a historical moment when homosexuality as a culturally meaningful entity had yet to crystallize recent autobiographies show the authors reflecting explicitly on questions of gay identity and what it means to be a homosexual male in present day Italy however Duncan's focus is less on questions of identity than on the meaning attributed to sex between men in the broader cultural context His book is a significant contribution to Italian literary criticism and to gender gay and cultural studies *Queer Italia: Same-Sex Desire in Italian Literature and Film* G.

Cestaro,2004-07-22 *Queer Italia* gathers essays on Italian literature and film medieval to modern The volume s chronological organization reflects its intention to define a queer tradition in Italian culture While fully cognizant of the theoretical risks inherent in trans historicizing sexuality the contributors to this volume share an interest in probing the multi form dynamics of sexual desires in Italian texts through the centuries The volume aims not to promote the mistaken notion of a single homosexuality through history Rather these essays together upset and undo the equally misguided assumption of an omnipresent heterosexuality through time by uncovering the various complex workings of desire in texts from all periods Somewhat paradoxically a kind of queer canon results These essays open a much needed critical space in the Italian tradition wherein fixed definitions of sexual identity collapse *Queer Italia* is the first and only work of its kind in Italian criticism As such it will be of interest to a wide audience of Italianists medieval to modern and queer cultural theorists **Queering**

Italian Media Sole Anatrone,Julia Heim,2020-01-20 *Queering Italian Media* analyzes and offers queer readings of LGBTQIA representation in Italian media The contributors apply various understandings of queer and media as they discuss the relationship between the political and social lives of queer populations in Italy and investigate their representations in film news media television social media and viewer generated media sites *Queering Italian Media* examines queer positionality challenges notions of Italianness as it relates to and is reflected in media and queers understandings of viewer engagement and participation in media consumption and production **A Companion to Italian Cinema** Frank Burke,2017-04-17

materials contributed through their international circulation to the creation of a post national queer community Illustrated throughout with examples of manifestos flyers posters zines and other forms of print media it features interviews with those responsible for making distributing or archiving queer print alongside a series of new theoretical essays that set particular publications and the individuals and groups that produced them in context The book isolates specific instances of queer print media and scrutinises their design aesthetics identifying both the significant contribution that queer print has made to histories of LGBTQ struggle and to the history of print design Spaghetti Sissies Queering Italian American Media Julia Heim, Sole Anatrone, 2023-04-28 This contributed volume brings together personal accounts and scholarly research in an examination of the LGBTQIA Italian American experience and representation in North American media This is a population that has long been ignored both as an object of study and as a media maker and consumer Through consistent filmic representation the image of the Italian American has become archetypal leaving us with a set of immediately recognizable characters the hyper macho blue collar greaser the anti intellectual GTL Guido the child obsessed mamma and the heteronormative mafia family The rhetorical and literal loudness of these characters drowns out other possible embodiments of Italian American identity so that few examples survive of Italian Americans that do not conform to these classed heterosexual modes of being This volume fills that void foregrounding the importance of representation and of rethinking the historical narratives and cultural stereotypes surrounding Italian American identity This book is especially designed for those with an interest in queer theory gender and sexuality studies Italian American studies and media and cultural studies

Transnational Italian Studies Charles Burdett, Loredana Polezzi, 2020-07-17 Transnational Italian Studies is specifically targeted at a student audience and is designed to be used as a key text when approaching the disciplinary field of Italian studies It allows the study of Italian culture to be construed and practised not simply as the inquiry into a national tradition but as the study of the interaction of cultural practices both within Italy itself and in those parts of the world that have witnessed the extent of Italian mobility The text argues that Italian culture needs to be considered in a transnational transcultural perspective and that an understanding of linguistic and cultural translation underlies all approaches to the study of Italian culture in a global context Contributions deploy a range of methodological approaches to understand and illustrate how language operates how culture inhabits and constitutes public and private space how notions of time operate within people's lives and the multiple ways in which people experience a sense of personhood Chapters stretch from the medieval period to the present and demonstrate how transnational Italian culture can be critically addressed through the examination of carefully chosen examples Contributors Alessandra Diazzi Andrea Rizzi Barbara Spadaro Charles Burdett Clorinda Donato David Bowe Derek Duncan Donna Gabaccia Eugenia Paulicelli Fabio Camilletti Giuliana Muscio Jennifer Burns Loredana Polezzi Marco Santello Monica Jansen Naomi Wells Nathalie Hester Serena Bassi Stefania Tufi Teresa Fiore and Tristan Kay
