

# Queers in Space

Edited by Matthew Brown, Stephen Brown, Maria Brown, and John Brown

Queers in Space is a collection of essays that explore the relationship between queerness and space. The essays are written by a variety of authors, including scholars, artists, and activists. The collection is organized into four sections: "Queers in Space: Theoretical Perspectives," "Queers in Space: Historical Perspectives," "Queers in Space: Contemporary Perspectives," and "Queers in Space: Future Perspectives."

# Queers In Space Communities Public Places Sites Of Resistance

**Maria Lee, Carolyn Abbot**

## **Queers In Space Communities Public Places Sites Of Resistance:**

*Queers in Space* Gordon Brent Ingram, Anne-Marie Bouthillette, Yolanda Retter, 1997 This book explores the interactions between queer identity experience and activism and a range of communal and public spaces

**Dissident Geographies** Alison Blunt, Jane Wills, 2016-07-08 Dissident Geographies is an accessible and lively exploration of radical perspectives in human geography The perspectives examined in the book reveal and resist certain power relations that have constituted geographical knowledge The book has two main aims First rather than reify the geographical tradition Dissident Geographies introduces a number of geographical traditions that challenge and destabilize what counts as geographical knowledge Second the book shows how the production of geographical knowledge is tied to politics and struggles outside as well as within the academy In each chapter case studies illustrate the spatiality of political practice and the politics of geographical thought In this way Dissident Geographies reveals the connections between power politics and geographical knowledge

**Queer Premises** Ben Campkin, 2023-06-01 Queer premises provide vital social and cultural infrastructure a queer infrastructure connecting different generations and locations facilitating the movement of resources across and beyond the city Queer Premises offers evidence for how London's diverse LGBTQ populations have embedded themselves into urban space systems and resources It sets out to understand how across their different material dimensions bars cafés nightclubs pubs community centres and hybrids of these typologies have been imagined created and sustained From the 1980s to the present Campkin asks how where and why these venues have been established how they operate and the purposes they serve what challenges they face and why they close down

*The Ashgate Research Companion to the Politics of Democratization in Europe* José María Rosales, Professor Tuija Pulkkinen, Professor Kari Palonen, 2013-03-28 Democratization is a concept often used in academic book titles yet not many of them deal with the initial breakthrough of democratization This research companion applies a comparative approach to analyzing debates in a number of countries It discusses the politics concepts and histories involved in European democratization as a complex of changes that has altered the conditions of political action and debate in the continent for the past two centuries

**Taking English Planning Law Scholarship Seriously** Maria Lee, Carolyn Abbot, 2022-10-24 Planning is at the heart of the response to many of the significant challenges of our time from the climate and environmental crises to social and economic inequalities It is embedded in as well as partially constituting our democratic systems so that the challenges of democratic decision making in a complex society cannot be avoided when thinking about planning Planning law raises some of the most fundamental questions faced by legal scholars from the legitimacy of authority to the relationship between public and private rights and interests And yet planning law has been relatively neglected by legal scholars The objective of Taking English Planning Law Scholarship Seriously is to create space for planning law scholarship in all of its variety and for curiosity about law in all its complexity The chapters reflect this diversity and complexity covering a range of the objects of planning from housing to energy to highways and a multiplicity of

planning tasks and tools from compulsory purchase to contracting to planning inquiries      **Undercurrents** Helen Hok-Sze Leung, 2009-01-01 Undercurrents engages the critical rubric of queer to examine Hong Kong's screen and media culture during the transitional and immediate postcolonial period Helen Hok Sze Leung draws on theoretical insights from a range of disciplines to reveal parallels between the crisis and uncertainty of the territory's postcolonial transition and the queer aspects of its cultural productions Leung explores Hong Kong cultural productions cinema fiction popular music and subcultural projects and argues that while there is no overt consolidation of gay and lesbian identities in Hong Kong culture undercurrents of diverse and complex expressions of gender and sexual variance are widely in evidence Undercurrents uncovers a queer media culture that has been largely overlooked by critics in the West and demonstrates the cultural vitality of Hong Kong amidst political transition It will appeal to scholars and general readers interested in Asian studies film and cultural studies and sexuality and gender studies      The Routledge Handbook of LGBTQ Identity in Organizations and Society Julie A. Gedro, Tonette S. Rocco, 2024-05-28 Sexuality gender gender identity and gender expression are fluid

constructs and the ways in which identity development intersects with organizations and exists in society are complex The book is comprised of a range of multi disciplinary and globally inspired perspectives representing leading edge scholarship by authors from over a dozen countries on a range of issues and contexts regarding LGBTQ identity and experience It is intended for a wide readership those who are in LGBTQ related academic fields those who want to broaden their coursework by offering supplemental readings that center the perspectives of LGBTQ identities and those who want to acquire knowledge and education on the subject of LGBTQ identity There are 36 chapters written by scholars in fields such as social work law queer studies business human resource management and development entrepreneurship criminal justice economics marketing religion architecture sport theater psychology human ecology and adult education The chapters can be read in sequence and the book can also be used as a reference work for which educators practitioners and non academics can identify and select particular chapters that inform areas of inquiry This handbook is the recipient of the R Wayne Pace HRD Book of the Year Award 2025      **Conflict and Counterpoint in Lesbian, Gay, and Feminist Studies** J.

Foertsch, 2007-05-14 Interrogating a broad array of lesbian gay and feminist theories this book considers instances of unnecessarily divisive turf battling yet focuses primarily on the productive debates that define and vitalize the field

**Marginal Groups and Mainstream American Culture** Yolanda Estes, 2000 They are often portrayed as outsiders ethnic minorities the poor the disabled and so many others all living on the margins of mainstream society Countless previous studies have focused on their pain and powerlessness but that has done little more than sustain our preconceptions of marginalized groups Most accounts of marginalization approach the subject from a distance and tend to overemphasize the victimization of outsiders Taking a more intimate approach this book reveals the personal moral and social implications of marginalization by drawing upon the actual experiences of such individuals Multidisciplinary and multicultural Identity on

the Margin addresses marginalization at a variety of social levels and within many different social phenomena going beyond familiar cases dealing with race ethnicity and gender to examine such outsiders as renegade children conservative Christians and the physically and mentally disabled And because women are especially subject to the effects of marginalization feminist concerns and the marginalization of sexual practices provide a common denominator for many of the essays From problems posed by complimentary racism to the status of gays in Tony Blair s England from the struggle of Native Americans to preserve their identities to the singular problems of single mothers Identity on the Margin takes in a broad spectrum of cases to provide theoretical analysis and ethical criticism of the mechanisms of identity formation at the edges of society In all of the cases the authors demonstrate the need for theory that initiates social change by considering the ethical implications of marginalization and criticizing its harmful effects Bringing together accounts of marginalization from many different disciplines and perspectives this collection addresses a broad audience in the humanities and social sciences It offers a basis for enhancing our understanding of this process and for working toward meaningful social change

The Bars Are Ours  
Lucas Hilderbrand, 2023-10-20 Gay bars have operated as the most visible institutions of the LGBTQ community in the United States for the better part of a century from before gay liberation until after their assumed obsolescence In The Bars Are Ours Lucas Hilderbrand offers a panoramic history of gay bars showing how they served as the medium for queer communities politics and cultures Hilderbrand cruises from leather in Chicago and drag in Kansas City to activism against gentrification in Boston and racial discrimination in Atlanta from New York City s bathhouses sex clubs and discos and Houston s legendary bar Mary s to the alternative scenes that reimagined queer nightlife in San Francisco and Latinx venues in Los Angeles The Bars Are Ours explores these local sites with additional stops in Denver Detroit Seattle Philadelphia Minneapolis and Orlando as well as Wisconsin Pennsylvania and Texas to demonstrate the intoxicating even world making roles that bars have played in queer public life across the country
