exams It provides clear guidance from experienced examiners on how best to tackle exam questions and gives students the opportunity to practise their exam technique and assess their progress

Ideas and Debates in Family Law Rob George, 2012-08-08 *Ideas and Debates in Family Law* is written for family law students at undergraduate level and beyond who are looking for less orthodox ideas about family law The book's first section looks at themes in family law addressing challenges facing the family justice system rights and responsibilities and the internationalisation of the law regulating families The second section is focused on adult relationships it suggests new ways for the law to allocate legal consequences for families debates the consequences of the contractualisation of marriage and explores the value of fairness in family finances The third section is about children discussing the welfare principle parental responsibility and practical parenting Although these issues sound common enough in a family law book the discussions found here are far from common Useful by itself or alongside a textbook *Ideas and Debates in Family Law* offers new and thought provoking perspectives on family law issues Rob George is a new distinctive and powerful voice in family law scholarship In this book he subjects received and emerging opinions to incisive examination providing readers with the intellectual invigoration associated with first class seminars Above all he reclaims family law as a significant branch of the idea and practice of justice John Eekelaar Pembroke College Oxford Building on a successful format for undergraduate seminars in Oxford this unique student text presents an exciting array of thought provoking debates and intellectually stimulating sometimes unorthodox ideas It will help students to situate their knowledge and to think more deeply and critically about family law and policy I applaud this book's focus and content and Rob George's vision in writing it Stephen Gilmore King's College London Whether you are a student looking for interesting points to make your work first class or an academic wanting an overview of family law theory this is the book for you Rob George has brilliantly captured the main issues facing family lawyers and policy makers at this fascinating time All the major concepts in family law marriage parenthood family are having to be rethought and redefined This book provides an excellent starting point for how we might go about reimagining family law and policy Jonathan Herring Exeter College Oxford

Family Law Frances Burton, 2003-02-15 A reader friendly guide to the basic family law topics The book also includes indications of where the law may be going in practice for example following the implementation of the Human Rights Act Major academic and practitioner issues are flagged
