Online Inside Room Untold Irelands Government:

Inside the Room Eamon Gilmore, 2015-10-30 March 2011 Enda Kenny and Eamon Gilmore have just formed a coalition government between Fine Gael and Labour Ireland's banks are broken unemployment is heading for half a million the public finances are in deficit international lenders rate Ireland as junk and the country is in an IMF bailout As T naiste in the new Coalition Eamon Gilmore was at the heart of every major economic decision taken during his term and as Minister for Foreign Affairs and Trade was primarily responsible for restoring Ireland's international reputation and trade connections In his extraordinary political memoir of these dramatic and turbulent times Eamon Gilmore writes frankly about the political price the Labour Party has paid for some of their choices reflects on the circumstances that led to his own resignation and assesses the prospects for Ireland's continued recovery including the risks which could yet blow Ireland's economy off course

The European left and the financial crisis Michael Holmes, Knut Roder, 2019-08-27 This timely collection addresses key questions including How did political parties from the Left respond to the crisis What does the crisis mean for the relationship between the Left and European Integration and what does it mean for socialism as an economic political and social project

The Information Trade Alexis Wichowski, 2020-02-11 A timely compelling and expertly researched passport to the tech companies that rule today's digital landscape Blake Harris bestselling author of Console Wars and The History of the Future In this provocative book about our new tech based reality political insider and tech expert Alexis Wichowski considers the unchecked rise of tech giants like Facebook Google Amazon Apple Microsoft and Tesla what she calls net states and their unavoidable influence in our lives Rivaling nation states in power and capital today's net states are reaching into our physical world inserting digital services into our lived environments in ways both unseen and at times unknown to us They are transforming the way the world works putting our rights up for grabs from personal privacy to national security Combining original reporting and insights drawn from more than 100 interviews with technology and government insiders including Microsoft president Brad Smith Google CEO Eric Schmidt the former Federal Trade Commission chair under President Obama and the managing director of Jigsaw Google's Department of Counter terrorism against extremism and cyber attacks The Information Trade explores what happens we give up our personal freedom and individual autonomy in exchange for an easy plugged in existence and shows what we can do to control our relationship with net states before they irreversibly change our future

Intercultural Communication Houman A. Sadri, Madelyn Flammia, 2011-03-03

Making Peace with the Past? Graham Dawson, 2007 This book explores the psychic cultural and political ramifications of memory within the Irish troubles It investigates the traumatic impact of the violence perpetrated since 1969 the antagonistic cultural narratives of memory fashioned and mobilized in this context within public and private arenas and the conflicts paradoxes and contradictions involved in coming to terms with the past both before and during the Irish peace process initiated in 1993-94 It traces the formation from below of competing public narratives one concerned

with the ethnic cleansing of Protestants by the Irish Republican Army the other with British state violence on Bloody Sunday and analyses their subjective roots in specific experiences of fear and loss their role in ideological struggle and their complicated relation to private familial and individual remembering

You're Hired! Casey B. Mulligan, 2020-09-03 Donald J Trump had essentially zero experience running for office and his candidacy for President of the United States was opposed by many in both parties that dominate American politics Nevertheless in 2016 the American people told him You re hired As an insider scholar and Chief Economist of the President s Council of Economic Advisers Casey Mulligan presents riveting first hand accounts of President Trump s engagement with policy and politics The struggle between Trump and a ruling class is skillfully presented by revealing business practices that President Trump is using to dismantle and reshape the Federal administrative state It proves that today s populism has some real substance but also acknowledges Trump s political incorrectness You re Hired brilliantly details the administration s successes and failures alongside the scandals and accurately portrays the approach and capabilities of our President and our government You will feel like an insider as you learn how Trump handles auto companies Senator Bernie Sanders immigration international aid the 2016 election Twitter and more that the news media has often failed to report or explain Rigorous evidence is detailed on assertions that the White House staff is in perpetual chaos which is directly attributable to the President

Aftershock Matthew Green, 2015-10-01 Over the last decade we have sent thousands of people to fight on our behalf But what happens when these soldiers come back home having lost their friends and killed their enemies having seen and done things that have no place in civilian life In *Aftershock* Matthew Green tells the story of our veterans journey from the frontline of combat to the reality of return Through wide ranging interviews with former combatants including a Royal Marine sniper and a former operator in the SAS as well as serving personnel and their families physicians therapists and psychiatrists *Aftershock* looks beyond the headline grabbing statistics and the labels of post traumatic stress disorder to get to the heart of today s post conflict experience Green asks what lessons have been learned from past wars and explores the range of help currently available from traditional talking cures to cutting edge scientific therapies As today s battle scarred troops begin to lay their weapons down *Aftershock* is a hard hitting account of the hidden cost of conflict And its message is one that has profound implications not just for the military but for anyone with an interest in how we experience trauma and survive
