Deists? Are You Sure?* Ray Strobo, 2017-08-31 Whats this book about It's about TRUTH According to the Internet and the media the Founding Fathers were deists and atheists That is NOT TRUE The Historical Record is clear The Signers of the Declaration of Independence an exemplar of the Founding Fathers were for the most part men of religious faith The reader is directed to hundreds of historical references many accessible online which tell us the TRUTH that none of the Signers of the Declaration were publicly professing atheists and only a handful of them were ever publicly categorized as deists in their day And most of those characterizations were NOT TRUE The author spent years researching this subject and gathering data about the Signers from biographies wills magazine articles newspaper articles personal correspondence speeches legislation first hand

testimonials obituaries eulogies tombstone engravings and character studies The overall conclusion from these sources is inescapable Religion played a significant role in the private and public lives of most of these patriots The religion of their day in the British North American colonies was Christianity Meet these Signers for yourself all 56 of them See them as real people ordinary men in many cases called on to do extraordinary things in the face of overwhelming odds Hear them give credit to the interposition of God as they overcame those odds See TRUTH through their eyes and through the eyes of people who knew them or researched them *Confronting Religious Violence* Richard A. Burr ridge,Jonathan Sacks,2017-10-30 In *Confronting Religious Violence* twelve international experts from a variety of theological philosophical and scientific fields address the issue of religious violence in today s world The first part of the book focuses on the historical rise of religious conflict beginning with the question of whether the New Testament leads to supersessionism and looks at the growth of anti Semitism in the later Roman Empire The second part comprises field report studies of xenophobia radicalism anti Semitism and Islamophobia surrounding the conflicts in the Middle East The third part reflects on moral philosophical legal and evolutionary influences on religious freedom and how they harm or help the advancement of peace The final part of the volume turns to theological reflections discussing monotheism nationalism the perpetuation of violence the role of mercy laws and freedom in combating hate and practical approaches to dealing with pluralism in theological education *Famous Atheists* Ray Comfort,2014-12-03 What do atheist believe if anything What are some common lies they tell What arguments do they make It will fascinate the reader to learn some of the world s most famous atheists Albert Einstein Mark Twain John Lennon Steve Jobs Brad Pitt Hugh Hefner Charles Darwin And many more What do these people have in common How do atheists view God Jesus the Bible Heaven and hell sin and salvation This book will give answers to these questions and provide the reader with greater understanding of this growing segment of our population One Nation Under God: A Factual History of America's Religious Heritage Leon G.
