One Two Kill A Few A Casey Fremont Mystery:

One, Two - Kill a Few John Achor, 2018-08-03 Amateur Sleuth Real Murder Struggling to recover from a disastrous marriage and contentious divorce Casey Fremont tries to make ends meet by filling her days with exhausting temp jobs She sets a goal of personal and mental renewal but suddenly finds herself struggling to stay alive in a dangerous riddle of raining bodies Casey is on her way to a job interview when a man falls from above and lands within inches of her Days later a coworker dies in a similar manner and a close friend of hers is kidnapped Now Casey can't avoid being dragged into the case Can an amateur sleuth with a few odd clues and sparse evidence find and stop this shrewd killer before someone else dies

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **TV Guide** ,1970 *Portland Transcript* ,1855 **Esquire** ,1964 *The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces* ,1881 **The Journal of the Armed Forces** ,1881

VideoHound's Golden Movie Retriever 1996 VideoHound Editors, Videohound, 1995-09 USA Today gave it a 4 star rating the Houston Chronicle called it by far the best and the New York Times says the Hound takes the lead in a blaze of supplemental lists The new 1996 edition of America's favorite guide to movies on video offers over 22 000 video reviews including 1 000 new reviews **Quill & Scroll** ,1938 **The Californians** ,1988
