Ongoingness The End Of A Diary:

Ongoingness Sarah Manguso, 2015-03-03 Manguso has written the memoir we didn't realize we needed. The New Yorker In Ongoingness Sarah Manguso continues to define the contours of the contemporary essay. In it she confronts a meticulous diary that she has kept for twenty-five years. I wanted to end each day with a record of everything that had ever happened she explains. But this simple statement belies a terror that she might forget something that she might miss something important. Maintaining that diary now eight hundred thousand words had become until recently a kind of spiritual practice. Then Manguso became pregnant and had a child and these two Copernican events generated an amnesia that put her into a different relationship with the need to document herself amid ongoing time. Ongoingness is a spare meditative work that stands in stark contrast to the volubility of the diary; it is a haunting account of mortality and impermanence of how we struggle to find clarity in the chaos of time that rushes around and over and through us. Bold, elegant and honest. Ongoingness reads variously as an addict's testimony, a confession, a celebration, an elegy. The Paris Review. Manguso captures the central challenge of memory of attentiveness to life. A spectacularly and unsummarizably rewarding read. Maria Popova. Brain Pickings. **Ongoingness/ 300 Arguments** Sarah Manguso, 2019-04-04 This small-sized book has immense power. Marvel at the clarity and fire. Zadie Smith. Jam-packed with insights you'll want to both text to your friends and tattoo on your skin. Celeste Ng. A combined book of two daring works by Sarah Manguso presented together in a rare reversible single edition. **300 ARGUMENTS**. Think of this as a short book composed entirely of what I hoped would be a long book's quotable passages. **300 Arguments** by Sarah Manguso is at first glance a group of unrelated aphorisms but the pieces reveal themselves as a masterful arrangement that steadily gathers power. Manguso's arguments about writing, desire, ambition, relationships and failure are pithy, unsentimental and defiant and they add up to an unexpected and renegade wisdom literature. Lines you will underline, write in notebooks and read to the person sitting next to you that will drift back into your mind as you try to get to sleep. **300 Arguments** reads like you've jumped into someone's mind. NPR. **ONGOINGNESS THE END OF THE DIARY**. In Ongoingness Sarah Manguso continues to define the contours of the contemporary essay. Lysaker, 2023-10-31 A new ethics of human finitude developed through three experimental essays As ethical beings we strive for lives that are meaningful and praiseworthy But we are finite We do not know so we hope We need so we trust We err so we forgive In this book philosopher John T Lysaker draws our attention to the ways in which these three capacities hope trust and forgiveness contend with human limits Each experience is vital to human flourishing yet each also poses significant personal and institutional challenges as well as opportunities for growth

Hope Trust and Forgiveness explores these challenges and opportunities and proposes ways to best meet them In so doing Lysaker experiments with the essay as a form and advances an improvisational perfectionism to deepen and expand our ethical horizons Interwar Itineraries Emily O.
