Modern Spiritual Masters Writings On Contemplation And Compassion:

Modern Spiritual Masters Robert Ellsberg, 2008 Through biographical reflections and selected writings this anthology highlights the essential teachings of a dozen modern spiritual masters each of whom embodied a form of engaged spirituality attuned both to God and the needs of a wounded world Each opposed a style of spirituality focused entirely on the inner life while at the same time stressing the importance of prayer and silence as the foundation for service and activism Balancing contemplation and compassion these figures including some of the world's best known spiritual writers represent a model of spirituality sensitive to tradition as well as the challenges of our time **BOOK JACKET** Compassion and the Mission of God Rupen Das, 2016-01-14 Why does God care for the poor the vulnerable and the marginalized This book traces God's compassion as it is revealed in the Old and New Testaments exploring the expression and impact of compassion in the early church through its actions and teachings as part of its witness Focusing on the church's responsibility to be compassionate Dr Rupen Das underlines the theological and missiological questions central to any discussion on the compassion of God Culminating with how compassion is lived out by God's people the book looks at concepts of transformation and the demonstration of the kingdom of God in the real world This book provides an excellent biblical and theological foundation for anyone involved or interested in ministries of social justice relief development and compassion New Monasticism Rory McEntee, Adam Bucko, 2015-03-31 *Soul-centered* James J. Clarke, 2015 Specifically aimed at the busy lay person this book underlines the idea that spirituality is not exotic something for the few but that it is in ordinary things and daily life that we can find intimacy with God *Thea Bowman* Maurice J. Nutt, 2019-04-30 With every passing year since her death in 1990 more people are recognizing Sister Thea Bowman as one of the most inspiring figures in American Catholic history This granddaughter of slaves became Catholic on her own initiative at the age of nine As a Franciscan sister she lived a wide ranging ministry of joy music and justice Now Father Maurice Nutt offers a new biography of Sister Thea that introduces her and sheds new light on who she was Drawing on careful research and the insights of people who were close to her Nutt explores her personality her passion her mission and her prayer He captures Thea Bowman as she was an unapologetically African American woman a religious sister who deeply loved God and the people to whom she ministered through teaching preaching and singing and who embraced the blessing of her ancestry the wisdom of the old folks and a passion for justice and equality for all God's children Spirituality Roger S. Gottlieb, 2013 Roger S Gottlieb provides a lucid and accessible overview of what spirituality is enabling a clear eyed understanding of the concept its manifold connections to other aspects of personal and social life its role as a positive psychological and social phenomenon and some of the risks that attend it Genius Born of Anguish Michael W. Higgins, Kevin Burns, 2012 This illustrated biography presents the life and legacy of Henri Nouwen through interviews with his friends and family including his brother Laurent l Arche founder Jean Vanier author Robert Ellsberg and writer Ronald Rolheiser The book was conceived as a companion volume to a CBC radio series

airing in September 2012 to mark the anniversary of Nouwen's untimely death at the age of sixty-four. An extensive photo section is included. Coauthor Kevin Burns. This book is an exploration of ideas about spirituality about vulnerable mental health and about becoming more fully what we are compelled to be. It's about parents and children of all ages; it's about asking for help and what you do with that help once it's offered. It's about discovering new strength in your weaknesses. And all of that within the context of Nouwen's overarching reminder about all creation's link to the Creator. Book jacket

Reaching for God Roberta Werner, 2013. *Reaching for God* is a compendium of Benedictine life and prayer for oblates. It brings together in one volume the essence of Benedictine spirituality, its history, its relevance through the ages, and in the present, and a summary of the most fundamental gifts and values it offers for living a meaningful life. Here the meaning and purpose of the oblate way of life is explained in a clear and encouraging way. Werner offers guidance and examples of prayer to enrich any spiritual life. Sister Roberta Werner OSB, having worked as a teacher, caregiver, and educational administrator, is now the assistant oblate director at St. Benedict's Monastery in St. Joseph, Minnesota. In this role, she guides an oblate discussion group, contributes to oblate newsletter publications, has set up an oblate library, and makes the spiritual journey with the many oblates who connect with her and with the monastery in their search for God. *A Living Gospel* Ellsberg, Robert, 2019-06-06. *Dream Trippers* David A. Palmer, Elijah Siegler, 2017-11-27. Over the past few decades, Daoism has become a recognizable part of Western alternative spiritual life. Now that Westernized version of Daoism is going full circle, traveling back from America and Europe to influence Daoism in China. *Dream Trippers* draws on more than a decade of ethnographic work with Daoist monks and Western seekers to trace the spread of Westernized Daoism in contemporary China. David A. Palmer and Elijah Siegler take us into the daily life of the monastic community atop the mountain of Huashan and explore its relationship to the socialist state. They follow the international circuit of Daoist energy tourism, which connects a number of sites throughout China and examines the controversies around Western scholars who become practitioners and promoters of Daoism. Throughout are lively portrayals of encounters among the book's various characters: Chinese hermits and monks, Western seekers and scholar-practitioners as they interact with each other in obtuse, often humorous, and yet sometimes enlightening and transformative ways. *Dream Trippers* untangles the anxieties, confusions, and ambiguities that arise as Chinese and American practitioners balance cosmological attunement and radical spiritual individualism in their search for authenticity in a globalized world.
