Mongrel Essays Diatribes Pranks:

Mongrel Justin Chin,2011-04-01 In a time when memoirs are often less than they claim to be and essays do not say enough Justin Chin breaks onto the scene with a collection that is a combination of confession tirade journalism and practical joke Mongrel is a cross section of Chin s imagination and experiences that calls into question what it means to be an Asian American in San Francisco the effect your family will always have on you and the role sexuality plays in your life Whether it be Internet pornography or family history Chin manages to dig deep and uncover not only the truths of everyday life but also the absurdities that surround them Mongrel is an exploration and distillation of the experiences and imagination of a gay Asian American whose sensibilities were formed by the maelstrom of 80s American pop culture A unique collection from a brash funny new voice

Cyber Zen Gregory Price Grieve,2016-12-08 Cyber Zen ethnographically explores Buddhist practices in the online virtual world of Second Life Does typing at a keyboard and moving avatars around the screen however count as real Buddhism If authentic practices must mimic the actual world then Second Life Buddhism does not In fact a critical investigation reveals that online Buddhist practices have at best only a family resemblance to canonical Asian traditions and owe much of their methods to the late twentieth century field of cybernetics If however they are judged existentially by how they enable users to respond to the suffering generated by living in a highly mediated consumer society then Second Life Buddhism consists of authentic spiritual practices Cyber Zen explores how Second Life Buddhist enthusiasts form communities identities locations and practices that are both products of and authentic responses to contemporary Network Consumer Society Gregory Price Grieve illustrates that to some extent all religion has always been virtual and gives a glimpse of possible future alternative forms of religion

Contemporary Gay American Poets and Playwrights Emmanuel S. Nelson,2003-06-30 Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements

Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne Timothy Liu and Robert O Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes an overview of the author s critical reception and primary and secondary bibliographies

Buddhism and Whiteness Emily McRae,George Yancy,2019-05-13 The motivation behind this important volume is to weave together two distinct but we think complementary traditions the

philosophical engagement with race whiteness and Buddhist philosophy in order to explore the ways in which these traditions can inform correct and improve each other This exciting and critically informed volume will be the first of its kind to bring together essays that explicitly connect these two traditions and will mark a major step both in understanding race and whiteness with the help of Buddhist philosophy and in understanding Buddhist philosophy with the help of philosophy of race and theorizations of whiteness We expand upon a small but growing body of work that applies Buddhist philosophical analyses to whiteness and racial injustice in contemporary U S culture Buddhist philosophy has much to contribute to furthering our understanding of whiteness and racial identity the mechanisms that create and maintain white supremacy and the possibility of dismantling white supremacy We are interested both in the possible insights that Buddhist metaphysical epistemological and ethical analyses can bring to understanding race and whiteness as well as the potential limitations of such Buddhist inspired approaches In their chapters contributors draw on Buddhist philosophical and contemplative traditions to offer fresh insightful and powerful perspectives on issues regarding racial identity and whiteness including such themes as cultural appropriation mechanisms of racial injustice and racial justice phenomenology of racial oppression epistemologies of racial ignorance liberatory practices with regard to racism Womanism and the intersections of gender based raced based and sexuality based oppressions Authors make use of both contemporary and ancient Buddhist philosophical and contemplative traditions These include various Asian traditions including Theravada Mahayana Tantra and Zen as well as comparatively new American Buddhist traditions

The Scent of the Gods Fiona Cheong, 2010-10-01 The Scent of the Gods tells the enchanting haunting story of a young girl's coming of age in Singapore during the tumultuous years of its formation as a nation Eleven year old Su Yen bears witness to the secretive lives of grown ups in her diasporic Chinese family and to the veiled threats in Southeast Asia during the Cold War years From a child's limited perspective the novel depicts the emerging awareness of sexuality in both its beauty and its consequences especially for women In the context of postcolonial politics Fiona Cheong skillfully parallels the uncertainties of adolescence with the growing paranoia of a population kept on alert to communist infiltration In luminous prose the novel raises timely questions about safety protection and democracy and what one has to give up to achieve them Ideal for students and scholars of Asian American and transnational literature postcolonial history women's studies and many other interconnected disciplines this special edition of *The Scent of the Gods* includes a contextualizing introduction a chronology of historical events covered in the novel and explanatory notes

98 Wounds Justin Chin, 2011-12-13 A gay punk rock Chinese American in the age of AIDS Chin confronts all manner of hypocrisy San Francisco Chronicle 98 Wounds is a series of improbably linked stories that reimagines and reconciles the abject the outlaw the ostracized the misfits and the cranky contrarians among us Gay people have never been as free or divided as in today's society As the gay majority surges into the mainstream a social construct has emerged depicting Good Gays and Bad Gays Endless mythmaking goes into dehumanizing the Bad Barebackers poz sexpigs meth

Mongrel Essays Diatribes Pranks Introduction

In today's digital age, the availability of Mongrel Essays Diatribes Pranks books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mongrel Essays Diatribes Pranks books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mongrel Essays Diatribes Pranks books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mongrel Essays Diatribes Pranks versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mongrel Essays Diatribes Pranks books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mongrel Essays Diatribes Pranks books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mongrel Essays Diatribes Pranks books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mongrel Essays Diatribes Pranks books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
