man who brought down President of the United States Richard Nixon in Watergate and Meier was the first person to expose the CIA's involvement with the Hughes organization and the only person to call for a congressional hearing into the death of Howard Hughes. The Hughes organization supplied the CIA with a cover organization to hide anything they possess or do. When Meier opted out of the organization he became an impediment to its continued existence. Meier was a Diplomat who operated at the highest levels of Government including as Vice Chairman of the Humphrey Muskie National Finance Committee during Vice President of the United States Hubert Humphrey's Presidential Campaign, serving on President Richard Nixon's Task Force on Resources and Environment and a Special Consultant to Nixon's Environmental Quality Advisory Committee and an advisor to several U.S. Senators including Senators Hubert Humphrey, Robert F. Kennedy and Mike Gravel, who credited Meier with preventing the spread of nuclear power within the United States. The full U.S. Senate Watergate Committee granted Meier immunity in order for Meier to testify at a public Watergate hearing to tell a spellbound nation secrets about the Nixon White House, the CIA and Howard Hughes. Meier was the next person to testify but the Watergate hearings went back into secret session to prevent Meier from revealing what he was going to expose as he was told his testimony would be too damaging and that a lot of people were worried that too much would be uncovered about Howard Hughes dealings beyond President Nixon. The CIA's worldwide pursuit of Meier to destroy him in order to prevent him from exposing their illicit activities included framing him for a number of offences including murder and attempting to assassinate him. In the Afterword of the book Meier sums up his politically motivated battle by saying, "My story is one of a man devastated by a corrupt system. Our governments are increasingly disrespectful of basic human rights such that we can no longer legitimately call our nations democracies. I hope that this story will contribute to changing this course."

Editorial Reviews If it were a film it would be as exciting as *The Bourne Identity*. **New York Times Bestselling Author Jim Hougan** An Engaging counternarrative to the 20th century's most notorious political scandal. An award winning journalist Bellett is a gifted storyteller who skillfully weaves a narrative rife with intrigue and political drama.
