Pentecost Flames Craft:

The Church Year at Home Christine E. Curley, 2021-07-28 For parents in today's world it can be hard to find the time and resources to fully equip our children to be spiritually mature adults. So much demands our attention and distracts us from God. Curley offers a resource to help parents structure their days and weeks to glorify God and disciple children. Using the church calendar as a guide, she proposes simple and realistic ways as well as resources for the whole family to engage in the Scriptures and thereby push back on the unrelenting culture of today.

Pentecost Fire Schuyler Rhodes, 2001 In a time of divisiveness, poverty, oppression, and war, the messages of Schuyler Rhodes send a clarion call for renewal in the church. Like the apostles, Pentecost Rhodes offers words that comfort and provoke, words that empower and give us vision of a better world. His sermons build on the gospel texts to bring spiritual insight and hope in place of cynicism and despair. Bringing the ancient biblical wisdom to bear on contemporary society, this volume is excellent for inspiration, study, and discussion. These sermons tell the truth, unsettling or devastating as this may be to conventional Christian ears. I love this little book. It weaves through our scripture with verve, dignity, and good humor; the touch is now light, now a flick of the whip; the words rife with the truth that both hurts and heals.

Foreword: Daniel Berrigan SJ. Schuyler Rhodes is the pastor of Temple United Methodist Church in San Francisco, California. He previously pastored Washington Square United Methodist Church in New York City and served as executive director and campus pastor for the Wesley Foundation, a broad-based campus ministry at the University of California, Berkeley. Rhodes' commitment to social justice and peace has taken him around the globe. Over the last decade, he has traveled to more than a dozen countries, serving as a delegate to several consultations of the World Council of Churches, as the secretary of the Social and International Affairs Committee of the World Methodist Council, and as the chair of the board of directors for Pastors for Peace and the Interreligious Foundation for Community Organizing. He has also been a consultant on Peace and Justice Ministries for the Methodist Church's General Board of Global Ministries, developing liturgical and training materials as well as representing the General Board at numerous national and international gatherings. A prolific writer, Rhodes is an honors graduate of Drew University Theological School M.Div. and the State University of New York at Potsdam B.A.

The Spirituality of Art Lois Huey-Heck, Jim Kalnin, 2006 Through stories, quotes, and images, this book is a guide to deeper enjoyment and appreciation of visual art, the spiritual journey, and the connections between the two. It has stunningly beautiful colour reproductions of art across time, place, and culture.

Worship and Festivals Gwyneth Windsor, 1990 One of a series for lower secondary pupils which aims to provide a foundation for GCSE and Standard Grade work. It uses an active learning approach to help students to develop an understanding of all aspects of the Christian faith. This book covers worship and the Christian festivals.
